2. Option #2 requires 1 ½ years to complete.
3. Option #3 requires 1 year to complete and special permission to enroll in 15 hours.
4. Failure to earn a C or better in a class may result in delayed graduation.
5. Failure to **enroll before all classes start** may result in a course being dropped from the schedule, thus it is imperative that students **enroll prior to the start of the semester**.
6. MGMT5203 is a prerequisite for MGMT5503
7. MGMT5103 and FIN5103 are prerequisites for MGMT5703
