## **Bachelor of Science: Nursing**

### **Course Equivalency Table**

<b>Seminole State College</b>	<b>East Central University</b>
MATH 1513 Pre-Calculus	MATH 1513 College Algebra
BIOL 1214 Principles of Biology~	BIOL 1114 General Biology
CHEM 1315 General Chemistry I	CHEM 1114 General Chemistry I
BIOL 2114 Human Anatomy	BIOL 2184 Human Anatomy
BIOL 2214 Human Physiology**	BIOL 3634 Human Physiology
BIOL 2224 Microbiology	BIOL 2345 General Microbiology
BIOL 2113 Introduction to Nutrition	FCS 1513 Nutrition
PSY 1113 General Psychology	PSYCH 1113 General Psychology
PSY 2023 Developmental Psychology**	PSYCH 3463 Child and Adolescent Psychology
BA 2253 Business Statistics OR	BSEC 2603 Business & Economic Statistics I
CAP 1103 Intro to Microsoft Office	CMPSC 1513 Computer Literacy

~

- ECU CHEM 1324 Chemical Principles is now the required Chemistry course for Nursing. SSC CHEM 1315 General College Chemistry I can be substituted for ECU's CHEM 1324 Chemical Principles with Department Approval.

General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at [www.ecok.edu](http://www.ecok.edu) by clicking on *Academics* and scrolling down to *Course Transfer Matrix*.

Articulated using SSC's A.S. Health Sciences

\*\*Will transfer as course content but not for upper level credit: Student should meet with an ECU advisor for more information.

Articulated without a minor. A minor is not required, please see an advisor for appropriate courses.

#### **NOTES:**

A student transferring with an Associate degree in Arts or Science from SSC fulfills ECU's general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors or related work in these areas; or (3) the requirements for teacher certification.

A student must earn at least 40 semester hours in upper-division courses (numbered 3000 or higher). A course taught at SSC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hours of upper level courses.

A student must earn at least 60 semester hours, excluding physical activity courses, at a baccalaureate degree granting institution.
