*The Freshman Seminar must be taken in the beginning freshman's first semester of enrollment.

**The General Education Seminar should be taken after the student has earned 45 semester hours but before earning 70 semester hours.

***College Algebra or Intro to Probability and Statistics should not be selected unless required by your major. Mathematics courses numbered 1413 or higher, other than "teachers" or "methods" courses, will meet the General Education requirement in Mathematics.

****Credit in physical education for full-time active military service is granted in accordance with the commonly accepted practices of the Office of Admissions and Records.

Students who have completed an Associate of Arts or Associate of Science degree from an OKLAHOMA two-year college will be considered as having met all general education requirements listed above. This does not mean specific courses in the major or minor requirements are met with the completion of the Associate Degree.
