

Scholarship Deadline

The deadline for scholarship applications for Fall 2012/Spring 2013 is

March 1st, 2012.

The application is available on the Foundation website, in the Student Development Office, or in the Foundation Office. Please read the application carefully because it includes important information about how to fill it out, where to send it, etc.

You only need to fill out one application, even if you are applying for more than one scholarship. Please attach any type of additional information that you would like for us to review during the scholarship process.

ALL University and Foundation scholarships (except departmental scholarships) will be processed within two weeks after the March 1, 2012, date. You will receive either a confirmation or denial letter from the University—the Foundation will only send out positive confirmations. Departmental scholarships will be processed by the Foundation in early April. **If you do not hear from the Foundation Office by June 1, 2012, this means you have not received a Foundation scholarship.**

Please call the Foundation Office or the Student Development Office if you have any questions—good luck in your academic endeavors!!!
