**Note: Please consult the current ECU catalog for prerequisite requirements. If you wish to contact the Department of Nursing for academic advisement, please contact the office administrator for an appointment with the appropriate nursing faculty advisor. Faculty advisors are assigned according to your last name. Students are responsible for meeting all the requirements for graduation. Please note: 124 hours are required for graduation. Students should meet with their official nursing advisor to review their progression towards graduation.**

\* Official admission to the program required for enrollment. (Revised 10/2011)
