

**14<sup>th</sup> Annual Oklahoma Literary Arts Festival**  
**East Central University**

**Thursday, November 5, 2009**

**REGISTRATION FORM**

**Deadline: October 27, 2009** or until filled  
Early Bird deadline: Oct. 13 (save \$5 per person)

TO ENROLL: Complete the registration form—one per student—and send with a check or P. O. for the complete group. Early registration is encouraged because space is limited. Please rank your session choices for each time period—1 for your highest preference through 13 for your lowest. We will try to accommodate these preferences but cannot guarantee that you will always get one of your top choices. We must also make sure each session hosts a diversity of school representation. This form may be copied as needed. [See website for Poetry Contest guidelines.] Photographs taken at this event may be used by East Central University for press releases, web pages, and/or university promotions. Registration for and participation in this event serve as permission to use these photographs, unless our office is contacted before the event (580-559-5457).
