\*Others - Prior to 1991-92, this category refers to students who had an admissions status different from the other categories listed. This included summer provisional, alternative and adult admission, graduate students earning another bachelors degree, and students receiving a degree which did not fit any of these or the above categories. Starting in 1991-92, "Others #1" refers to summer provisional, alternative and adult admission, and graduate students earning another bachelors degree. "Others #2" now refers to students receiving a degree, which did not fit any of these or the above categories.
