ECU SoN Admission Information for Fall 2024

HESI Admission Assessment (A2):

ECU SoN utilizes the HESI Admission Assessment (A2) as a tool to assess the academic preparedness of prospective nursing students for our Baccalaureate of Science in Nursing (BSN) program. A breakdown in exam content can be found later in this document. You **MUST** take the HESI A2 offered through the ECU SoN, and you **MUST** take all sections. The minimum required composite score is **75%** and you will be allowed **six hours** to test. You may test **twice during an admission cycle**, or use test results from the previous ECU application cycle, as long as they are within the last 12 months. Results are good for **12 months** from the date the exam was taken. The cost for each attempt is \$70.00.
