Our Mission:

The mission of the East Central University Social Work program is to educate the next generation of social workers for competent generalist social work practice in the face of adversity and an ever-changing world.

Our Vision

Educate the next generation of change-making social workers.

The Department of Professional Programs in Human Services offers educational programs that share the common goal of preparing students to work with people in a variety of human services agencies and organizations. The human services field is one of the most rapidly expanding career fields in America today. The Department of Professional Programs in Human Services focuses on those careers which require professional preparation and training for service to individuals, families, groups, and the community. Degree programs include Counseling, Criminal Justice and Social Work.

> Social Work

Graduating with a Bachelor of Social Work (BSW) will prepare you to enter the dynamic world of professional social work. BSW's work in public and private sectors including: healthcare, family and social services, as well as nonprofits, and that's just to name a few. BSW students are also eligible for state licensure and for one-year advance standing Master of Social Work programs.
