## SCHOOL OF BUSINESS

### Harland C. Stonecipher School of Business

Michael Scott, Dean

Department of Accounting  
Department of Business Administration

#### General Information

The Harland C. Stonecipher School of Business is located in the Chickasaw Business and Conference Center. The School is also home to the Wilburn L. Smith Center for Entrepreneurship and the Kellogg & Sovereign Consulting, LLC Financial Lab. Students are encouraged to join the Business Leaders Association. Students of high academic achievement will be invited to join the international honor society Delta Mu Delta. Both the Accounting Program, and the Business Administration Program, are accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

2024-2025 Accounting (ACCT) Courses  
2024-2025 Business (BUS) Courses  
2024-2025 Business Communication (BUCOM) Courses  
2024-2025 Business-Economics (BSEC) Courses  
2024-2025 Business Law (BUSLW) Courses  
2024-2025 Economics (ECON) Courses  
2024-2025 Finance (FIN) Courses  
2024-2025 Information Technology Management (ITM) Courses  
2024-2025 Management (MGMT) Courses  
2024-2025 Management Information Systems (MIS) Courses  
2024-2025 Marketing (MKTG) Courses  
2024-2025 Military Science (MS) Courses

#### School of Business Internship Hours

Students may obtain from one to three credits from internship opportunities. The general requirement is that the internship must include (1) actual work to be completed under the supervision of the place of employment offering the internship and (2) an academic component related to the field of study under the supervision of the SSB internship supervisor. The nature of the actual work and academic component will vary from internship to internship, and the details of each are determined through input from the internship company, supervisor, and student. The hours of credit are determined by the amount of work required.

### Department of Accounting

#### Major Offered

Accounting - Bachelor of Science

#### Minor Offered

Accounting

#### Certificates Offered

Accounting (Managerial Accounting)

Accounting (Treasury Management)

#### Departmental Information

The primary purpose of accounting is to measure and communicate financial information about profit and non-profit organizations to interested persons. Accounting professionals operate within a broad socioeconomic environment. Therefore, emphasis within the accounting program is placed upon a combination of conceptual knowledge and practical applications of accounting theory and concepts as they relate to satisfying the information needs of a disparate group of users. The wide selection of courses in the accounting department enables the student to become familiar with such fields as taxation, financial accounting, managerial accounting, auditing, and governmental/not-for-profit accounting. The Accounting Program prepares the student for entry level professional positions and provides the prerequisite courses for admission to graduate study. Students majoring in accounting are required to take a combination of business and accounting related courses, which enhance their knowledge of the various business functions. Courses in computer technology and information systems, business communication, management, marketing, finance, business law, and economics are taken by all accounting majors. The Department also offers a minor in Accounting, and two certificate programs in Managerial Accounting and Treasury Management.

### Departmental Information

The Department of Business Administration at East Central University brings together five business disciplines with programs leading to a Bachelor of Science degree with a major in Business Administration. The Degree offers concentrations in Entrepreneurship, Finance, General Business, Marketing, Management, and Information Technology Management. The Department also offers nine certificate programs, Banking and Finance, Entrepreneurship, Global Business, Human Resources Management, Management Information Systems, Project Management/Management, and Promotions Management and twelve minors, Business Administration, Business Administration for Music Majors, Entrepreneurship, Finance, Human Resources Management, Management, Marketing, Promotions Management, Information Systems, Project Management and Data Analytics.

The Department of Business Administration's mission is to facilitate an interactive, experiential, and dynamic learning environment where students are treated as co-learners who continuously acquire knowledge and skills to enable them to successfully contribute to a dynamic and culturally diverse society. Our vision is to be recognized as an exemplary leader in undergraduate business education, primarily preparing students for successful entrance in both the private and public sectors, to become successful entrepreneurs, and to pursue post-baccalaureate studies. Small class sizes, quality professors, and real-world focus make for an excellent option for those looking to secure a strong foundation in Business Administration. Primary general education and major core courses are completed during the first two years, with concentration courses completed in the final two years. A mix of traditional and innovative approaches are designed to provide knowledge of the fundamental principles, generalizations, and theories of business, delivery of effective communications, effective use of computing software, and the skills to make sound business decisions in a socially responsible and global business environment.

## COLLEGE OF EDUCATION & PSYCHOLOGY

---

### College of Education & Psychology

Jerry Mihelic, Dean

Department of Education  
Department of Kinesiology  
Department of Psychology

2024-2025 Education (EDUC) Courses  
2024-2025 Education Psychology (EDPSY) Courses  
2024-2025 Education Library Sci. (EDLBS) Courses  
2024-2025 Kinesiology (KIN) Courses  
2024-2025 Psychology (PSYCH) Courses  
2024-2025 Psychology Sociology (PSYSOC) Courses  
2024-2025 Psychology Human Resources (HRPSY) Courses

### Department of Education

#### Majors Offered

Early Childhood Education (Teacher Certification) - Bachelor of Science  
Elementary Education (Teacher Certification) - Bachelor of Science

#### Minor Offered

Education

#### Departmental Information

The Department of Education serves the University in three essential functions. The first function is to prepare students in the three areas of specialization the department offers at the undergraduate level: Elementary Education and Early Childhood Education. The areas of specialization lead to teacher licensure and certification in Oklahoma. The second function is to provide professional education courses which enable competent educators in all of the teacher education programs at the University. The third and final function is the offering of eight options at the master's level (see Section on School of Graduate Studies). The graduate program prepares individuals for a variety of occupations in public schools, related positions in institutions, business, industry, or hospitals.

Each teacher certification program offered at East Central University is nationally accredited by The Council for the Accreditation of Educator Preparation. The teacher preparation program addresses both national standards and Oklahoma's required 10 competencies. All standards are delivered within ECU's PRIDE conceptual framework where faculty are committed to preparing Professional, Reflective, Innovative and Dedicated Educators. Integrated throughout the program are technology standards and best practices in STEM education. These experiences are enhanced by additional workshops organized through ECU's Institute for Math and Science Education. Students preparing to teach in secondary schools acquire a content knowledge base and competency in their respective specialty fields to teach at the middle school, junior high, or high school level. Elementary Education majors are prepared to teach in elementary, middle school, or junior high through eighth grade. Early Childhood Education majors prepare to teach in nursery schools, kindergartens, and grades one through three. Field experiences provide supervised interactions with public school children before and during student teaching.

All teacher certification programs provide academic backgrounds for students wishing to pursue graduate level education. These advanced studies lead to an expanded professional knowledge base and set of skills which may provide access and entry into professional careers in education. The professional careers include school administration, supervision, educational technology, library media, guidance and counseling, special education, school psychology and psychometry, and research.

#### Elementary Education Program

Elementary Education majors develop skill and competency in educating children in grades one through eight. The student acquires an academic foundation in language arts, mathematics, science, and social studies by completing at least twelve semester hours in each of these content areas. Elementary Education majors expand their teaching knowledge and skills in the use of teaching methods, materials, various assessment instruments, and appropriate technologies toward meeting the educational needs of elementary students. They develop perspective and skills in planning, organizing, implementing, and evaluating learning activities and lessons. Students also learn appropriate classroom management skills that provide a setting and climate conducive to learning and growth.

#### Early Childhood Education Program

Students who major in Early Childhood Education complete courses concentrating on the development and education of young children. This program leads to state certification for teaching children in nursery school, kindergarten, and grades one, two, and three. The study focuses students on (a) developing an understanding of the unique characteristics and needs of pre-primary and primary level children, (b) learning to assess emerging skills, and (c) planning and executing learning activities appropriate for young learners at various stages of development. Early Childhood majors complete twelve semester hours in each of these areas: science, mathematics, social studies, and language arts. The student who majors in Early Childhood Education will gain practical experiences with prekindergarten through third grade children before and during the student teaching experience.

[Requirements for Retention & Graduation in Teacher Education Appeal, Dismissal & Suspension - Teacher Education](#)

#### Criteria for Admission to Teacher Education

Students who are considering teacher education as a career must make an application for admission into the Teacher Education Program. Applications for admission will be completed while enrolled in EDUC 2012, Diversity in American Education. Applications for Teacher Education are considered in light of the student's disposition for the teaching profession, work in Block I, college grade point average, English Composition grades or HNRS 2313 in place of ENG 1213, grade in Fundamentals of Human Communication, personnel records, and other pertinent data, including but not limited to, OSRHE requirements. An interview, which includes an evaluation of ethics, is held with the student by a team of education faculty. After full consideration, the applicant is either admitted to the teacher education program or referred for a second interview. After a second interview if an applicant is denied, a student can appeal to the Professional Education Committee (see section titled, "Suspension, Dismissal and Appeals").

#### A student must meet the following criteria to be admitted to the Teacher Education Program:1=

1.) Submit a completed "Admission for Teacher Education Application" form. Applications can be obtained from the Department of Education.

- 2.) Have completed at least 44 credit hours with a 2.5 GPA or higher.
- 3.) Achieve a "C" or above in ENG 1113 Freshman Composition I, ENG 1213 Freshman Composition II or HNRS 2313 Enduring Questions: Perspectives from Rhetoric and Research (Honors Students Only), and COMM 1113 Fundamentals of Human Communication. The student can be currently enrolled in these courses but may not progress to professional block II without achieving a "C" or better upon completion of each course.
- 4.) Receive a satisfactory recommendation from an education faculty review committee. This review committee will conduct an interview and review a student's disposition record when considering an applicant.
- 5.) Provide documentation of experiences working with children/youth. (completion of EDUC 2211 Field I or concurrent enrollment will satisfy this state requirement) as required by the state.
- 6.) Provide a background check showing they have not been convicted of a felony, any crime involving moral turpitude or a felony violation of the narcotic laws of the United States or the State of Oklahoma within the preceding ten-year period.
- 7.) Meet one of the requirements as outlined by OSRHE 3.21 in the OSRHE Academic Affairs Policy and Procedures manual.

If a person is denied entry into the Teacher Education Program a new application for admission may be submitted. In addition the person may submit a written appeal for reconsideration. Appeal procedures are available upon request from department chair.

#### **Requirements for Retention & Graduation in Teacher Education**

Students admitted to the Teacher Education Program must maintain their eligibility by meeting the Education Department's dispositional and academic standards. The Teacher Education Program has an ongoing informal evaluation, and specified reviews of teacher education majors regarding continued eligibility for retention, certification, and graduation in teacher education. The following is the review procedure for retention:

- 1.) A continuous informal evaluation occurs for each student admitted to the Teacher Education Program. This evaluation includes each professor being sensitive to student problems or concerns. If a professor observes a problem or concern and considers that it does not meet the Education Department's dispositional and academic standards, the professor will file a dispositional concern with the Chair of the Department of Education. The Education Chair or designee will investigate the matter.
- 2.) As a student progress through the program, reviews consist of the following two parts: (a) an examination of the student's grade point average, and (b) performance review by the Education Chair or designee, which may include the student's disposition and portfolio performance. A student not maintaining an overall grade point average of 2.5 or better in all college work attempted may not enroll in professional education or pedagogical courses (e.g. methods, teaching) in one's major. Students are required to receive a "C" or better in professional education coursework and a "C" or better for coursework in one's major unless otherwise allowed by the program. If a "D" or below is received, a student shall retake the course.
  - Unsatisfactory disposition and portfolio work may impact eligibility for program retention. An unfavorable evaluation by the Education Chair or designee may lead to either a recommendation to continue in the program under a plan of improvement or a recommendation for dismissal from the program.
- 3.) When the student submits an Application for Student Teaching, an additional review is completed.

- 4.) The evaluation process continues through the student teaching semester.

A student recommended for dismissed from the Teacher Education Program as a result of the review procedure may appeal to the Professional Education Committee. (See section titled, "Suspension, Dismissal, and Appeals").

#### **Suspension, Dismissal and Appeals**

##### **Suspension from the Teacher Education Program**

A candidate shall be suspended when the Education Chair maintains a reasonable belief that grounds exist for a suspension from the Teacher Education Program. The Education Chair shall notify the candidate of the suspension in writing, and said suspension shall not extend beyond ten (10) business days. On or before day 10 of the suspension, the Education Chair shall in writing either reinstate the candidate to the Teacher Education Program or recommend a review by the Professional Education Council (PEC). To the extent possible, a candidate reinstated after the initiation of the suspension from the Teacher Education Program will be restored to their previous position and status without action detrimental to their studies, progress, and evaluation of their work. The Education Chair will decide if the applicant or candidate will be allowed to attend classes, including field experiences and student teaching, during the suspension.

##### **Dismissal from the Teacher Education Program**

The obligation for maintaining academic integrity, professional standards and ethics, and legal responsibilities should be considered fundamental in the preparation of future educators. ECU's Teacher Education Program assumes this obligation to students, parents, guardians, public schools, and the State of Oklahoma. The Teacher Education Program will dismiss from the program those candidates deemed unsuitable teacher education students.

East Central University may dismiss from the Teacher Education Program any candidate whose personal conduct is deemed detrimental to:

- 1.) The welfare of students in the public schools;
- 2.) The teacher education program's effective working relationship with the public schools;
- 3.) The candidate's future success in the program;
- 4.) The candidate's ability to effectively teach;
- 5.) The teacher education program's role in training future educators; or
- 6.) The profession of teaching. Behavior that may constitute grounds for dismissal from the teacher education program includes, but is not limited to, conduct that may result in felony conviction.

A candidate being considered for dismissal from the Teacher Education Program for personal conduct shall be notified in writing by the Education Chair. Such written notice shall include:

- 1.) General description of the reasons for the consideration; and

2.) The date, time, and location of a review by the Professional Education Committee (PEC), which shall be held not more than ten (10) business days after the candidate receives notification of his or her consideration for dismissal.

At the PEC review, the candidate will be provided the opportunity to submit applicable evidence and call any witnesses. The PEC will also review other relevant information and may do so in private, if needed. Following the PEC review, the PEC Chair will notify the candidate in writing about the committee's decision regarding his or her dismissal from the Teacher Education Program and, if needed, the process to appeal the decision.

### Appeals

The appeal procedures for students denied admittance to or dismissed from the Teacher Education Program are as follows:

1.) The applicant or candidate initiates the appeal process by providing written notice to the Dean of the College of Education and Psychology. If appealing a denied admittance to the Teacher Education program, the written notice shall be submitted within ten (10) business days following the Education Chair's notification to the applicant about denied admittance to the Teacher Education Program. If appealing a dismissal from the Teacher Education Program, the written notice shall be submitted within ten (10) business days following the Professional Education Council (PEC) Chair's notification to the applicant about being dismissed from the Teacher Education Program. A written notice received after ten (10) business days will not be considered.

2.) The Dean of the College of Education and Psychology will set a hearing within ten (10) business days of receipt of written notice for appeal and notify the applicant or candidate in writing of the date, time, and location.

3.) At the hearing, the Education Chair (denied admittance appeals) or Professional Education Council Chair (dismissal appeals) will be provided the opportunity to submit applicable evidence and call any witnesses. Then, the applicant or candidate will be provided the opportunity to submit applicable evidence and call any witnesses.

4.) At the end of the hearing, the Dean of the College of Education and Psychology will announce his or her decision about the appeal and provide written notification not more than five (5) business days to all parties. Said written notice shall include a finding of facts and the decision.

5.) The Dean of the College of Education and Psychology maintains the right to adjust the appeal procedures for extenuating circumstances, provided the adjustments do not eliminate an applicant or candidate's right to a hearing.

The Education Chair will decide if the applicant or candidate will be allowed to attend classes, including field experiences and student teaching, during the pendency of the hearing.

### Application for Student Teaching

A teacher candidate must file an "Application for Admission to Student Teaching" during the preceding semester in which they expect to student teach. This normally occurs during Block III. Approval for student teaching must be granted prior to enrolling in student teaching courses.

A teacher candidate must meet the following criteria to be admitted to the student teaching:

1.) Created a Single Sign On account with the Oklahoma State Department of Education (OSDE);

2.) Have a background check showing they have not been convicted of a felony, any crime involving moral turpitude or a felony violation of the narcotic laws of the United States or the State of Oklahoma within the preceding ten-year period.

3.) Have a 2.5 GPA (Grad. Retn.) or better;

4.) Admitted and not currently on a Student Plan of Improvement in the Teacher Education Program;

5.) Completed all pedagogical courses (e.g. methods, teaching) in one's major.

6.) Verify foreign language requirement by demonstrating conversation skills at a novice high level, earning a "C" or better in college-level foreign language coursework, passing an exit exam from a college-level course, or demonstrating 2 years of foreign language at the high school level with a "C" or better for both years.

7.) Earned a "C" or better for coursework in one's major unless otherwise allowed by program.

8.) Earned a "C" or better in the following Professional Education courses:

EDUC 2012 Diversity in American Education

EDUC 2211 Field Experience I

EDUC 2402 Survey of Exceptional Children

EDUC 2631 Foundations of Educational Technology

EDUC 3001 Field Experience II

EDUC 4042 Strat for Effective Teach in Eleme and Early Childhood Ed; OR

EDUC 4052 Effective Teaching in Secondary Education

EDUC 4611 Field Experience III

EDUC 4632 Strategies for Implementing Educational Technology

EDPSY 3513 Educational Psychology

PSYCH 3463 Child and Adolescent Psychology

Unless a teacher candidate meets all of these requirements the application will be denied. Once all requirements have been met and approved, candidates will be notified by email from the Coordinator of Field Experience & Student Teaching that they have been accepted to the cohort. Applicants who are not admitted to the student teaching semester may appeal in writing (See Appeal, Dismissal, Suspension Policy). At the end of the student teaching admission process, the teacher candidate will either be approved, conditionally approved, or denied. The department will notify each teacher candidate in writing about their approval status to student teaching. If an applicant is denied admittance during the initial application process, the Education Chair's notification shall identify the criteria they failed to meet and the process for appealing the decision. Anyone denied student teaching may apply at a later date.

### Professional Education Sequence

EDUC 2402 Survey of Exceptional Children

PSYCH 3463 Child & Adolescent Psychology

The following courses to be taken when a sophomore or junior:

EDUC 2012 Diversity in American Education (complete same term as EDUC 2211 & 2632)  
 EDUC 2631 Foundations of Education Technology (complete same term as EDUC 2012 & 2211)  
 EDUC 2211 Field Experience I (complete same term as EDUC 2012 & 2631)

The following courses to be taken when a junior:

EDPSY 3513 Educational Psychology (complete same term as EDUC 3001)  
 EDUC 3001 Field Experience II (complete same semester as EDPSY 3513)

The following courses to be taken when a senior:

EDUC 4042 Strategies for Effective Teaching Elem/Early Childhood  
 - To be completed same term as EDUC 4611 & 4632 for all elem/early childhood education teacher cert majors; OR  
 EDUC 4052 Effective Teaching in Secondary Education  
 - To be completed same term as EDUC 4611 & 4632 for all secondary education teacher cert majors.  
 EDUC 4632 Education Technology Integration Strategies  
 - To be completed same term as EDUC 4042 & 4611  
 EDUC 4611 Field Experience III  
 - To be completed same term as EDUC 4042 & 4632

The following courses to be taken when a senior, either the first or second semester - no other courses shall be taken.

EDUC 4262 Student Teaching Seminar I  
 EDUC 4282 Student Teaching Seminar II

The first, second or third pair of the following courses.

EDUC 4954 Supervised Student Teaching Elementary Schools  
 EDUC 4954 Supervised Student Teaching Elementary Schools  
 EDUC 4964 Supervised Student Teaching Grades PK-12  
 EDUC 4964 Supervised Student Teaching Grades PK-12  
 EDUC 4974 Supervised Student Teaching Secondary Schools

#### Departmental Information

### Physical Activity

An integral part of the educational experience – contributes effectively to a student's general development. The Department of Kinesiology gives students the means to educate the total person for living in an enlightened society. The study of human movement is the unique content of the Kinesiology program. Choices in Wellness is the course that is offered for the general education requirement and provides students with the knowledge and skills necessary to make lifestyle choices which positively affect one's health and well-being. The Kinesiology Department also provides support courses for other majors or teaching concentrations.

### Kinesiology Program

The Kinesiology program prepares students for careers in the fitness/wellness profession, as well as research-oriented careers. Prospective employers include health clubs, recreational facilities, hospital-based wellness programs, cardiac rehabilitation programs, sports medicine clinics, as well as preparing students for various medical professions such as: athletic training, physical therapy, physical assistant, and physician's assistant.

Many Kinesiology majors use interdisciplinary studies to prepare for working with special populations such as senior citizens or owning their own fitness business such as personal training. The coursework for this degree includes a core of courses in the broad field of Kinesiology concentrating on knowledge and skills necessary for appropriate exercise testing, prescription, and leadership.

## Department of Psychology

### Major Offered

Psychology - Bachelor of Science

Psychology - Behavioral Health - Bachelor of Science

### Minor Offered

Psychology

### Departmental Information

The Department of Psychology is actively involved in fulfilling the three functions of a University: Teaching, Research, and Service. These three functions merge as professors have students participate in research, use research findings and student research to enrich classes, and provide a service to the community by teaching needed skills and providing needed services. As a behavioral science, it employs the scientific method to greatly enhance the problem-solving abilities of people. Further, since psychology involves the study of behavior, it enables people to understand themselves better and to understand others.

General Psychology is the course that fulfills the general studies function. It is a general course in which the student learns the principles of behavior and how to apply these to everyday living. The Department of Psychology provides support courses for majors in other areas. For example, majors in elementary education, nursing, and professional programs in human services, take courses in psychology to develop the understanding and skills necessary to function in their professions. The Department of Psychology provides a major field of study with two options (i.e., Traditional, Behavioral Health) leading to the Bachelor of Science Degree. Just as in the minor field of study, some students majoring in psychology do not intend to become professional psychologists. These students may use psychology to enter professional schools such as medicine, dentistry, law, or theology. Others use psychology as a liberal education and enter business and industry or use this knowledge and these skills to become effective parents or citizens in the communities in which they live. Finally, of course, students choose to major in psychology because they want to go on to graduate school and make psychology their professional career.

### Psychology Program

Psychology is the science of human behavior. As a field, it attempts to develop technologies that will help understand the dynamics of human behavior as a means of developing a profession that will promote human welfare. As such, the undergraduate program at East Central University prepares its students through classwork, student professional organizations such as Psi Chi, field trips, assisting the faculty in professional endeavors such as research and application, and close relationships with the faculty to help understand and get to know, on a broad basis, the field of psychology. This training prepares the student to work at an entry level in the following areas: mental health clinics, hospitals, counseling centers, corrections, and many other areas including being prepared to enter graduate school.

The mission of the Psychology Program is an integral part of the overall mission of East Central University. The mission of the university includes providing a number of baccalaureate, pre-professional and graduate programs. The program addresses this goal by providing an undergraduate degree program in Psychology. Instruction in Psychology at the undergraduate level utilizes the following formats: lecture, video and multimedia material, field trips, research and library report writing, and direct hands-on experience both in the research laboratory and clinic setting.

### College of Education & Psychology Internship Hours

The internship hours in CEP are calculated and governed by the various accreditation agencies (National and State). The agencies include regulations regarding the qualifications of mentors, supervisors, and placements.

[Return to Department of Psychology](#)

### 2024-2025 Psychology (General) - Bachelor of Science (120 Credit Hours)

The 120 credit hours includes ECU's 40 hour general education program.

#### Required Core Courses (44 Credit Hours)

PSYCH 1113 General Psychology

HRPSY 3253 Psychology of Aging

PSYCH 2313 History & Systems of Psychology

PSYCH 2403 Sociocultural Psychology

PSYCH 4001 Psychology Senior Seminar

PSYCH 4133 Abnormal Psychology

PSYCH 4413 Psychology of Personality

#### Required for Concentration in Psychology (10 Credit Hours)

PSYCH 3114 Experimental Psychology

PSYCH 3833 Behavioral Science Statistics

PSYCH 3933 Writing & Design for Psych Research

#### Psychology Electives (15 Credit Hours)

Set 1 - Select one or two of the following:

PSYCH 3463 Child & Adolescent Psychology

PSYCH 4443 Child Development

PSYCH 4453 Adolescent Development

Set 2 - Select two of the following:

PSYCH 3023 Introduction to Health Psychology

PSYCH 3053 Intro to Clinical & Counseling Psychology

PSYCH 3063 Physiological Psychology

PSYCH 3613 Psychology of Learning & Cognition

PSYCH 4213 Psychological Tests & Measurement

PSYCH 4323 Behavioral Management

PSYCH 2213 Social Psychology

Three (3) to six (6) hours of approved 3000-4000 level electives in psychology (may include additional courses from Set 2). EDPSY 3513 and PSYCH 4112 may not be taken for psychology degree credit.

#### Related Work (3 Credit Hours)

Select one of the following:

MATH 1223 Intro to Probability & Statis; OR

MATH 1513 College Algebra; OR

MATH 1613 Functions & Modeling

### General Electives

An elective is any college-level course not required by the degree, but utilized to reach the minimum 120 credit hours for graduation. Elective courses are chosen according to the interest of the student.

### Special Requirements

Students must take an adequate number of upper level hours. There are 32-25 upper level hours built into the Psychology degree, therefore students must take a minimum of 5-8 hours of upper level courses in order to meet the 40-hour upper level requirement. While not required, a minor in a field related to a future carrier is recommended.

Note: Psychology majors are not required to complete a minor course of study.

### 2024-2025 Psychology (Behavioral Health) - Bachelor of Science (120 Credit Hours)

The 120 credit hours includes ECU's 40 hour general education program.

#### Required Core Courses (19 Credit Hours)

PSYCH 1113 General Psychology

HRPSY 3253 Psychology of Aging

PSYCH 2313 History & Systems of Psychology

PSYCH 2403 Sociocultural Psychology

PSYCH 4001 Psychology Senior Seminar

PSYCH 4133 Abnormal Psychology

PSYCH 4413 Psychology of Personality

#### Required for Concentration in Psychology (12 Credit Hours)

PSYCH 3023 Introduction to Health Psychology

PSYCH 3053 Intro to Clinical & Counseling Psychology

PSYCH 3463 Child & Adolescent Psychology

PSYCH 4213 Psychological Tests & Measurements

#### Related Work (3 Credit Hours)

Select one of the following:

MATH 1223 Intro to Probability & Stats; OR

MATH 1513 College Algebra; OR

MATH 1613 Functions & Modeling

### General Electives (49 Credit Hours)

An elective is any college-level course not required by the degree, but utilized to reach the minimum 120 credit hours for graduation. Elective courses are chosen according to the interest of the student.

### Special Requirements

Students must take an adequate number of upper level hours. There are 25 upper level hours built into the psychology degree, therefore students must take a minimum of 15 hours of upper level courses in order to meet the 40 minimum requirement. Students are encouraged to take courses from BIOL, BUS, CRJS, HURES, EDUC and SOC to enhance the breadth of their psychology degree.

Note: Psychology majors are not required to complete a minor course of study.

### 2024-2025 Minor in Psychology (21 Credit Hours)

#### Required Course

PSYCH 1113 General Psychology

Select three of the following:

HRPSY 3253 Psychology of Aging

PSYCH 2313 History & Systems of Psychology

PSYCH 3063 Physiological Psychology

PSYCH 3463 Child & Adolescent Psychology

PSYCH 3613 Psychology of Learning & Cognition

PSYCH 4133 Abnormal Psychology

PSYCH 4213 Psychological Tests & Measurements

PSYCH 4323 Behavioral Management

---

PSYCH 4413 Psychology of Personality  
PSYCH 4443 Child Development  
PSYCH 4453 Adolescent Development  
PYSOC 2213 Social Psychology

**Electives**

Nine (9) hours of approved 3000-4000 level electives in Psychology (may include additional courses from the list above). EDPSY 3513 and PSYCH 4112 may not be taken for psychology degree credit.

**Special Requirements**

Must earn three (3) hours of upper division work at ECU towards minor to complete residency requirement.

### Department of Biological & Environmental Sciences

#### Majors Offered

Biology - Bachelor of Science  
Biology (Clinical Laboratory Scientist) - Bachelor of Science  
Biology (Ecology) - Bachelor of Science  
Biology (Health Sciences) - Bachelor of Science  
Biology (Medical Botany) - Bachelor of Science  
Biology (Molecular Biology) - Bachelor of Science  
Biology (Teacher Certification) - Bachelor of Science  
Env. Health Science - Bachelor of Science  
Env. Health Science - (Env. Mgmt. & Nat. Resource) - Bachelor of Science  
Env. Health Science (Public Health) - Bachelor of Science

#### Minors Offered

Biology  
Environmental Health Science  
Public Health  
Environmental Management & Natural Resources

#### Departmental Information

The Department of Biological & Environmental Sciences provides undergraduate training for students interested in the life sciences who may wish to pursue careers in this area. Biological & Environmental Sciences is a continually expanding discipline with a variety of career opportunities. The faculty and facilities of the Department permit the investigation of Biological & Environmental Sciences at the subcellular, cellular, organismal, population, and community level.

Courses taught in the Department emphasize scientific principles and concepts that aid in understanding structure, function and behavior of individual organisms, and how individual organisms interact within the natural environment. Several scholarships are available to qualified students. Departmental scholarships include the Thomas J. McKnight Biology Scholarship and the Fred and Mary Pfeiffer Scholarship. Other scholarships are available through the Academic Scholarship Program and the East Central University Foundation. For students who plan to teach, there are scholarships available through the College of Education and Psychology.

There are several clubs and societies available for Biological & Environmental Sciences students. The ones currently active are the Tri-Beta Club, the Pre-Dentistry Club, and the Society for Wildlife and Ecological Biologists.

#### Biology Degree Program

The Bachelor of Science in Biology degree program offers majors in six bachelor degree concentrations. A Bachelor of Science is designed for students who plan to become practicing biologists in industry or government, or plan to pursue a graduate degree in biology. This degree concentration is usually chosen by those students who need pre-professional training before entering the schools of medicine, dentistry, veterinary medicine, or other health-related professional schools. A Bachelor of Science for Teacher Certification gives a prospective science teacher an appropriate academic background in biology and in the methods of teaching. The Bachelor of Science for Molecular Biology prepares students for graduate research and/or employment in the rapidly growing fields of biotechnology, agribusiness, industry, law enforcement, and molecular biology. A Bachelor of Science for Clinical Laboratory Science prepares students to conduct and supervise complex medical tests, clinical trials, and research experiments; manage clinical laboratories; and consult with physicians and clinical researchers on diagnoses, disease causation and spread, and research outcomes. This degree concentration requires three years of prescribed study on campus followed by a year of clinical training in an approved hospital or School of Clinical Laboratory Science. A Bachelor of Science for Medical Botany empowers students to apply coursework in Botany, Zoology, Genetics, Physiology, Microbiology, Medical Botany, Entomology and Plant Ecophysiology. It provides flexibility through electives so that many path options are available all with the goal in mind of students understanding the complex relationship between plants and humans. Ultimately, this deep understanding will enable students to enter graduate school or employment so that they may transform their futures in biotech, agribusiness, pharmacology, medicine, homeopathy, horticulture, law, Native American affairs, research, industry and others into successful futures. A Bachelor of Science in Ecology, and a Bachelor of Science in Health Sciences are also offered.

#### Clinical Laboratory Science Concentration

This concentration requires a minimum of ninety-four semester hours credit of prescribed study on the campus, followed by a clinical component (30 hours) which consists of a year of approved professional training in Clinical Laboratory Science. The professional training must be done in a school of clinical laboratory science approved by the University and by the Oklahoma Consortium of Clinical Laboratory Science Affiliates.

Requirements for admission to the clinical component of clinical laboratory science:

- 1.) Complete the general education requirements.
- 2.) Complete prescribed science and math courses or equivalent courses.
- 3.) Complete a sufficient number of approved electives to complete the minimum requirement of ninety-four semester hours.
- 4.) Grade average must be a 2.5 or better overall and in the specific work in science and math.
- 5.) Ten semester hours of the ninety-four must be done in upper division courses (3000 and 4000 level).

Attainment of the requirements above does not guarantee admission to the clinical component of the program. The number of applicants placed is based on the number of applicants accepted by affiliated Schools of Clinical Laboratory Science.

### **Environmental Health Science Program**

The Bachelor of Science in Environmental Health Science (EHS) provides graduates with the interdisciplinary education needed for professional careers in areas such as: hazardous materials management, environmental program planning, industrial food safety, disease vector control, occupational safety and health, and water resources management. Concentrations in the EHS Program include Bachelor of Science in EHS for Environmental Management and Natural Resources, and a Bachelor of Science in EHS for Public Health. Environmental Health Sciences program graduates have been selected for professional positions in public health departments, private industries, state and federal environmental agencies, the United States Public Health Service Commissioned Corps and in private environmental consulting firms. In addition, the program prepares EHS majors for graduate study in a wide variety of disciplines.

The EHS program is one of 31 baccalaureate programs accredited by the National Environmental Health Science and Protection Accreditation Council and has maintained accreditation since 1975. EHS majors must complete a total of 55 hours of core courses in environmental health and environmental science which includes a supervised, professional internship at an approved site. The internship provides students with an opportunity to integrate their academic preparation with actual work experiences. EHS majors must also complete supporting courses in biology, chemistry, physics, and mathematics. A minor is advised, but not required.

[Return to Department of Bio & Environ Sci.](#)

### **2024-2025 Biology/General - Bachelor of Science (120 Credit Hours)**

The 120 credit hours includes ECU's 40 hour general education program.

#### **Required Biology Core (20 Credit Hours)**

BIOL 1114 General Biology  
 BIOL 1214 General Botany  
 BIOL 1314 General Zoology  
 BIOL 3434 Genetics

Select one of the following

BIOL 3514 General Physiology; OR  
 BIOL 3634 Human Physiology

#### **Required for Biology/General Concentration (12 Credit Hours)**

BIOL 2344 Microbiology  
 BIOL 4313 Cell and Molecular Biology  
 BIOL 4414 General Ecology  
 BIOL 4881 Biology Senior Seminar

#### **Required Electives (16 Credit Hours)**

Sixteen (16) hours of elective biology with minimum of 11 hours in 3000-4000 level courses (NOT BIOL 4473 or BIOL 4713).

#### **Recommended Related Electives**

CHEM 4114 Organic Chemistry II  
 CHEM 4213 Biochemistry  
 CHEM 4221 Biochemistry Lab  
 EHS 3703 Biostatistics  
 MATH 1223 Intro. to Probability & Statistics  
 PSYCH 3833 Behavioral Science Statistics  
 SOC 3833 Statistics for Social Sciences

#### **Required Related Work (23 Credit Hours)**

CHEM 1114 General Chemistry I  
 CHEM 1214 General Chemistry II  
 CHEM 3114 Organic Chemistry I  
 MATH 1513 College Algebra \*; OR  
 MATH 2825 Calculus & Analytic Geometry I  
 PHYS 1114 General Physics I  
 PHYS 1214 General Physics II

#### **General Electives (20 Credit Hours)**

An elective course is any college-level course not required by the major program, but utilized to reach the minimum 120 credit hour requirement for degree completion. Elective courses are chosen according to the interest of the student.

#### **Special Requirements**

"Teachers" or "methods" courses may not be counted in this major.

## Academic Colleges

---

Students interested in the 3+1 degree program (ECU and OSUCOM) can apply for early admission to the OSU College of Osteopathic Medicine and earn an ECU bachelors degree in biology by completing the first year of medical school at OSUCOM (D.O. Degree). Complete information on this program can be obtained from the Department of Biological and Environmental Sciences.

*\* With Department approval, students may omit MATH 1513 and being with MATH 2825.*

 MATH 1513 College Algebra

Select one of the following:

MATH 2825 Calculus & Analytics Geometry; OR  
 MATH 2613 Calculus for Bus, Life & Social Sciences

Select one of the following:

EHS 3703 Biostatistics & Environmental Calc.  
 MATH 1223 Intro. to Probability & Statistics  
 PSYCH 3833 Behavioral Science Statistics  
 SOC 3833 Statistics for Social Sciences

### General Electives (6-10 Credit Hours)

An elective course is any college-level course not required by the major program, but utilized to reach the minimum 120 credit hour requirement for degree completion. Elective courses are chosen according to the interest of the student.

### Special Requirements

"Teachers" or "methods" courses may not be counted in this major. A minor program is not required for this major.

With Department approval, students may omit MATH 1513 and being with MATH 2825.

No minor program is required for this major.

Students interested in the 3+1 degree program (ECU and OSUCOM) can apply for early admission to the OSU College of Osteopathic Medicine and earn an ECU bachelors degree in biology by completing the first year of medical school at OSUCOM (D.O. Degree). Complete information on this program can be obtained from the Department of Biological and Environmental Sciences.

### **2024-2025 Biology/Teacher Certification - Bachelor of Science (120 Credit Hours)**

The 120 credit hours includes ECU's 40 hour general education program.

#### **Required Biology Core (20 Credit Hours)**

BIOL 1114 General Biology  
BIOL 1214 General Botany  
BIOL 1314 General Zoology  
BIOL 3434 Genetics

Select one of the following:

BIOL 3514 General Physiology; OR  
BIOL 3634 Human Physiology

#### **Required for Teacher Certification Concentration (11-12 Credit Hours)**

B/C/P 4113 Method Teaching BIOL/PHYS/SCI  
BIOL 4414 General Ecology

Select one of the following:

BIOL 2184 Human Anatomy; OR  
BIOL 3245 Comparative Vertebrate Anatomy

#### **Required Related Work (34-36 Credit Hours)**

CHEM 1114 General Chemistry I  
CHEM 1214 General Chemistry II  
COMM 1113 Fund. of HUMAN Communication  
MATH 1513 College Algebra\*; OR  
MATH 2825 Calculus & Analytic Geometry I  
PHYS 1114 General Physics I  
PHYS 1214 General Physics II  
PHYS 1314 Astronomy  
PSYCH 1113 General Psychology

Select one of the following:

CHEM 1314 General Organic & Biochemistry  
CHEM 3114 Organic Chemistry I  
CHEM 3214 Quantitative Analysis I; AND  
Three (3) additional hours of earth science electives.

#### **Minor**

Professional education is used as a minor (30 hours). For further details consult major program advisor.

#### **General Electives (0-2 Credit Hours)**

An elective course is any college-level course not required by the major program, but utilized to reach the minimum 120 credit hour requirement for degree completion. Elective courses are chosen according to the interest of the student.

#### **Special Requirements**

"Teachers" or "methods" courses may not be counted in this major. A minor program is not required for this major.

\*With Department approval, students may omit MATH 1513 and being with MATH 2825.

**Department of Physical Sciences****Majors Offered**

Chemistry - Bachelor of Science

Chemistry (Teacher Certification) - Bachelor of Science

Chemistry (Biochemistry) - Bachelor of Science

Physics - Bachelor of Science

Physics (Medical Physics) - Bachelor of Science

Physics (Teacher Certification) - Bachelor of Science

**Minors Offered**

Chemistry (contact department for details)

Physics

**Departmental Information**

The Department of Chemistry/Physics is comprised of two disciplines--Chemistry and Physics. The department offers Bachelor of Science degree programs with a major and a minor in each of these academic areas. Specific features of each program are detailed below.

**Chemistry**

The Department of Chemistry offers both a major and a minor in chemistry, a major in chemistry with a biochemistry concentration, a major in chemistry for teacher certification, and courses needed for those wishing to teach biology, chemistry, physics, physical science, or general science at the public school level. The department also functions as a support and service department for required courses in biology, nursing, environmental science, and allied health programs. Additionally, the department provides pre-professional studies for students pursuing medicine, engineering, pharmacy, veterinary medicine, physical therapy, and medical technology. A quality program of study is made possible through small classes, opportunity for student/professor interaction, and the unique situation of having the Robert S. Kerr Environmental Research Center located in Ada, OK. Cooperative agreements with this governmental institution allow expanded opportunities for study, research, quality analytical instrumentation, and possible student employment while at ECU.

**Chemistry Program**

In compliance with the recommendations of the American Chemical Society for curricula in undergraduate chemical education, the department offers courses in all five major areas of chemistry: inorganic, analytical, organic, physical, and biochemistry.

**Physics**

Physics is one of the most fundamental and all-inclusive of the sciences. It is an attempt to understand the foundations of our universe through the study of motion, force, energy, sound, electricity, magnetism, thermodynamics, heat, light, and quantum mechanics. Physics students use advanced mathematics to solve challenging experimental or theoretical problems, so they often major in mathematics as well. The ability to analyze a problem and find the best possible solution is vital to success in many fields. As a result, physics graduates often work in such seemingly non-related areas as medicine, law, biology, business, or military science, as well as in engineering, mathematics, computer science, or industry.

In addition to the university's program of financial aid, the department provides positions for student workers. Several departmental scholarships are awarded annually, and the department participates in the LS-OKAMP program awarding scholarships and research stipends for qualifying minority students. Interested students should contact the Department Chairman for further information.

### Physics Program

In addition to the university's program of financial aid, the department provides positions for student workers. Several departmental scholarships are awarded annually, and the department participates in the LS-OKAMP program awarding scholarships and research stipends for qualifying minority students. Interested students should contact the Department Chairman for further information.

### 2024-2025 Chemistry (General) - Bachelor of Science (120 Credit Hours)

The 120 credit hours includes ECU's 40 hour general education program.

#### Required Chemistry Core (20 Credit Hours)

CHEM 1114 General Chemistry I

CHEM 1214 General Chemistry II

CHEM 3114 Organic Chemistry I

CHEM 3214 Quantitative Analysis I

CHEM 4114 Organic Chemistry II

#### Required for General Concentration (14 Credit Hours)

CHEM 3484 Instrumental Analysis

CHEM 4213 Biochemistry

CHEM 4413 Advanced Inorganic Chemistry

CHEM 4514 Physical Chemistry I

#### Required Electives (3-4 Credit Hours)

Select at least three (3) hours from the following:

CHEM 4221 Biochemistry Laboratory

CHEM 4421 Advanced Inorganic Chemistry Laboratory

CHEM 4614 Physical Chemistry II

CHEM 4981-4 Seminar in Chemistry

CHEM 4991-4 Individual Studies in Chemistry

#### Related Work (22-30 Credit Hours)

BIOL 1114 General Biology

MATH 1513 College Algebra\*

MATH 1713 Trigonometry\*

MATH 2825 Calculus & Analytical Geometry I

MATH 3025 Calculus & Analytical Geometry II

PHYS 1114 General Physics I; OR

PHYS 2115 Engineering Physics I

PHYS 1214 General Physics II; OR

PHYS 2225 Engineering Physics II

Recommended Related Work: Geology, additional physics, biology (not BIOL 1114) and computer science.

#### Minor (18-33 Credit Hours)

A minor is required for this program. The minor with the chemistry major must be biology, environmental health science, mathematics or physics.

#### General Electives (0-15 Credit Hours)

An elective course is any college-level course not required by the major program, but utilized to reach the minimum 120 credit hour requirement for degree completion. Elective courses are chosen according to the interest of the student.

#### Special Requirements

\* With department approval, students may omit MATH 1513 and/or MATH 1713 and begin with MATH 2825.

"Teachers" or "methods" courses do not count in the major.

### 2024-2025 Chemistry (Teacher Cert.) - Bachelor of Science (124-126 Credit Hours)

The 124-126 credit hours includes ECU's 40 hour general education program.

#### General Education

This major requires students to count specific courses toward their general education requirement. Seventeen (17) hours (BIOL 1114, CHEM 1114, COMM 1113, MATH 1513 and PSYCH 1113), counted in the major. Demonstrate novice high competency in a foreign language or complete a foreign language or American Sign Language course with a C or higher.

**Required Core Courses (20 Credit Hours)**

CHEM 1114 General Chemistry I  
 CHEM 1214 General Chemistry II  
 CHEM 3114 Organic Chemistry I  
 CHEM 3214 Quantitative Analysis I  
 CHEM 4114 Organic Chemistry II

**Required for Teacher Certification Concentration (3 Credit Hours)**

B/C/P 4113 Methods of Teaching Biological & Physical Science

**Required Chemistry Electives (7 Credit Hours)**

Seven (7) hours of chemistry electives. Courses should be determined in consultation with program advisor.

**Related Work (41-43 Credit Hours)**

 PHYS 4113 Electricity & Magnetism

**Required Electives (2 Credit Hours)**

Two (2) hours of physics electives (Not PHYS 3222 or 4222).

**Related Work (32-38 Credit Hours)**

BIOL 1114 General Biology  
 CHEM 1114 General Chemistry I  
 CHEM 1214 General Chemistry II

**Related Work Electives (7 Credit Hours)**

Seven (7) hours of chemistry electives.

### Minor

Professional Education coursework is used as the minor and no other minor is required.

### Professional Education (30 Credit Hours)

EDUC 2402 Survey of Excep Child  
PSYCH 3463 Child & Adolescent Psych

### 2024-2025 Minor in Chemistry

Students interested in a Chemistry minor should contact the department for details.

### 2024-2025 Minor in Physics (20 Credit Hours)

#### Required Courses

PHYS 2115 Engineering Physics I  
PHYS 2225 Engineering Physics II  
PHYS 3013 Modern Physics

Select one or both of the following:

PHYS 3411 Junior Physics Laboratory  
PHYS 3511 Junior Physics Laboratory

Select two of the following:

PHYS 3113 Mechanics I  
PHYS 3213 Basic Electronics  
PHYS 3713 Thermodynamics  
PHYS 3813 Optics  
PHYS 4113 Electricity & Magnetism-Field Theory  
PHYS 4313 Intro to Nuclear Physics

#### Special Requirements

Must earn three (3) hours of upper division work at ECU to complete the minor residency requirement.

## Department of Mathematics & Computer Science

### Majors Offered

Computer Science - Bachelor of Science  
Mathematics (Applied/Pre-Actuary) - Bachelor of Science  
Mathematics (General) - Bachelor of Science  
Mathematics (Teachers Cert.) - Bachelor of Science  
Mathematics (Data Science) - Bachelor of Science

### Minors Offered

Computer Science  
Mathematics

### Departmental Information

The Department Mathematics and Computer Science currently offers five concentrations which leads to a Bachelor of Science degree: General Mathematics, Teacher Certification in Mathematics, Mathematics - Applied/Pre-Actuary, Data Science Applications, and Computer Science.

The Mathematics Program offers four concentrations which lead to a Bachelor of Science degree. The curriculum is flexible and can be adapted to a variety of student interests. After completing one of the four concentrations, program graduates typically enter the job market as applied mathematicians in business

or industry, actuarial trainees, or certified teachers of secondary school mathematics. Some program graduates pursue study in graduate school leading to advanced degrees in mathematics, statistics, computer science, finance, or management science while others elect to pursue further study in a professional school such as law or medicine.

The Computer Science Program provides a solid education in all major areas of Computer Science with an emphasis on Software Engineering. Computer Science students complete a Bachelor of Science degree in four years. Our graduates are typically employed by large companies who need skilled software design specialists to work on the forefront of the field. Computing facilities include powerful Linuxbased and Windows based terminals as well as graphics workstations. Department computers have internet access and are loaded with mathematical and statistical software packages for use in classroom teaching, student research and downloadable for home use.

#### **Mathematics Program - General Concentration**

The General Mathematics concentration provides preparation for the student who plans to enter a graduate program in mathematics or to seek immediate employment. A student taking this concentration, in consultation with his or her advisor, should choose elective courses which meet the entrance requirements of the desired graduate program. This concentration is often part of a double major with Physics, Computer Science, or other sciences. In addition to the core courses required for all mathematics majors, students in this concentration also take courses emphasizing proof writing.

#### **Mathematics Program - Teacher Certification Concentration**

The Teacher Certification concentration, in conjunction with professional education courses, prepares students for teaching mathematics at the secondary level. Majors take courses in education, mathematics, and mathematics education. Curriculum emphasizes pedagogy, technology, diversity, and current trends in education. Graduates of this concentration are in high demand locally, state-wide, and nationally. Most graduates of this concentration quickly find employment in the country, or elsewhere in Oklahoma and surrounding states. In addition to the core courses required for all mathematics majors, students in this concentration also take courses specifically for education majors.

#### **Mathematics Program - Applied Mathematics/Pre-Actuary Concentration**

The Applied Mathematics/Pre-Actuary concentration prepares students for entry into the job market as an applied mathematician or actuarial trainee, for a career in finance, or for entry into a graduate program in applied mathematics, actuarial science, statistics, finance, or quantitative management science. In addition to the core courses required for all mathematics majors, students in this concentration also take courses in business.

#### **Mathematics Program - Data Science Applications Concentration**

The Data Science Applications concentration is for students interested in applying mathematics, statistics, and computer science to a wide range of business problems. With a broader focus, students in this concentration will be prepared to work in a variety of industries— analytics, data science and big data. Students finishing this program will have a variety of skills in mathematics, statistics, computer science, programming, and analytics. They will have specific skills related to data science in database design, data extraction, data wrangling, data scraping, data visualization, machine learning, deep learning, and artificial intelligence. Students will also gain the interdisciplinary skills to succeed in this fast-growing field. In addition to the core courses required for all mathematics majors, students in this concentration also take courses in computer science.

#### **Computer Science Program**

The Computer Science degree program prepares students for a career in the world of technology. Both online and in-seat options for majors of this program. Lucrative salaries and opportunities to work on interesting and challenging projects are the rewards which await those who choose the Computer Science major. Technology touches essentially every aspect of life. Students have access to a powerful Linux-based mainframe as well as the University computer network. Majors have access to both labs and 24/7 remote access. The curriculum is designed using guidelines published by the Association of Computing Machinery (ACM). Courses provide students excellent training in the scientific and technical areas of computing and the preparation necessary to pursue graduate work in this field. The course of study is mathematical in nature with emphasis on software engineering.

#### **2024-2025 Computer Science - Bachelor of Science (120 Credit Hours)**

The 120 credit hours includes ECU's 40 hour general education program.

#### **Required Courses (27 Credit Hours)**

CMPSC 1113 Computer Programming I  
 CMPSC 1133 Computer Programming II  
 CPSMA 2103 Data Structures  
 CPSMA 3103 Algorithm Analysis  
 CMPSC 3113 Operating Systems  
 CMPSC 3613 Computer Architecture  
 CMPSC 3943 Software Design & Development  
 CMPSC 4213 Data Base Design  
 CMPSC 4473 Theory of Programming Languages

#### **Required Electives (18 Credit Hours)**

Eighteen (18) hours in upper level Computer Science with at least twelve (12) hours in CMPSC courses.

#### **Related Work (11-18 Credit Hours)**

CPSMA 3913 Discrete Mathematics  
 MATH 1513 College Algebra\*  
 MATH 1713 Trigonometry\*

Select one of the following:

MATH 2825 Calculus & Analytical Geometry I; OR  
 MATH 2613 Calculus for Bus, Life & Soc. Sci.

If MATH 2613 is chosen from above, then choose one of the following:

MATH 1223 Intro to Probability & Statistics; OR  
 BSEC 2603 Business & Economic Statistics

Select one of the following:

BUCOM 3133 Business Communication & Report Writing

COMM 1113 Fundamentals of Human Communication  
ENG 3183 Technical & Professional Writing

### General Electives (26-36 Credit Hours)

An elective course is any college-level course not required by the major program, but utilized to reach the minimum 120 credit hour requirement for degree completion. Elective courses are chosen according to the interest of the student. Students majoring in computer science are highly encouraged to take upper-level computer science electives to make themselves more attractive to industry recruiters.

### Special Requirements

\* With department approval, students may omit MATH 1513 and/or MATH 1713 and begin with MATH 2825. A minor program is not required for this major.

### 2024-2025 Mathematics (Applied/Pre-Actuary) - Bachelor of Science (120 Credit Hours)

The 120 credit hours includes ECU's 40 hour general education program.

#### Required Mathematics Core (22-28 Credit Hours)

MATH 1513 College Algebra\*  
MATH 1223 Intro to Probability & Statistics  
MATH 1713 Trigonometry\*  
MATH 2825 Calculus & Analytic Geometry I  
MATH 3025 Calculus & Analytic Geometry II  
MATH 3033 Calculus & Analytic Geometry III  
MATH 3713 Linear Algebra  
MATH 4923 Perspectives in Mathematics

#### Required for Applied/Pre-Actuary Concentration (9 Credit Hours)

MATH 3513 Mathematical Statistics  
MATH 3583 Applied Statistics  
MATH 4113 Differential Equations

#### Required Mathematics Electives (15 Credit Hours)

Select two of the following:

CPSMA 3913 Discrete Mathematics

CPSMA 3933 Operations Research

CPSMA 4413 Numerical Methods

Nine hours approved courses from MATH, CMPSC, MIS, MGMT, MKTG, BUSLW or FIN (3000-4000)

#### Related Work (30 Credit Hours)

ACCT 2103 Financial Accounting

CMPSC 1113 Computer Programming I; OR

other computer programming course in a high level language (logical, functional or procedural, including Mathematica)

COMM 1113 Fundamentals of Human Communication

ECON 2003 Principles of Macroeconomics

ECON 2013 Principles of Microeconomics

ENG 3183 Technical & Professional Writing

FIN 3113 Financial Management

FIN 3913 Insurance Planning & Risk Management

MIS 1903 Computer Business Applications

MIS 3433 Management Information Systems

#### General Electives (10-16 Credit Hours)

An elective course is any college-level course not required by the major program, but utilized to reach the minimum 120 credit hour requirement for degree completion. Elective courses are chosen according to the interest of the student.

### Special Requirements

Math 1413 "teachers" or "methods" courses will not be counted in the major.

\* With department approval, students may omit MATH 1513 and/or MATH 1713 and begin with MATH 2825.

A minor program is not required for this major.

Actuaries must pass a series of exams administered by the Society of Actuaries (SOA) in order to achieve professional status as an actuary. The first exam, Exam P, covers probability and supporting calculus topics. Pre-actuary students should take this exam after completing MATH 3513 Mathematical Statistics. The second exam, Exam FM, covers interest theory and financial economics. This exam should be taken after FIN 3113 Financial Management. Other SOA exams cover subjects as risk and risk management.

#### School of Nursing

##### Majors Offered

Nursing - Bachelor of Science

##### Departmental Information

##### Accreditation

The ECU School of Nursing is approved by the Oklahoma Board of Nursing. Graduates of this state-approved program are eligible to write the National Council Licensure Examination (NCLEX) for registered nurses. Applicants for Oklahoma licensure must meet all state and federal requirements to hold an Oklahoma license and practice nursing. Specific requirements may be found at Oklahoma Board of Nursing. The School of Nursing at East Central University located in Ada, Oklahoma is accredited by the: Accreditation Commission for Education in Nursing (ACEN) 3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326. 405-975-5000. The most recent accreditation decision made by the ACEN Board of Commissioners for the ECU School of Nursing is continuing accreditation. View the public information disclosed by the ACEN regarding this program at [www.acennursing.us/accreditedprograms/programSearch/htm](http://www.acennursing.us/accreditedprograms/programSearch/htm)

##### Pre-Licensure Nursing Program

The School of Nursing offers the Bachelor of Science with a major in Nursing degree to pre-licensure students. A minimum of 121 hours is required for graduation, to include 40 general education, 21 required related work, and 60 in the major. Courses prepare students to provide high-quality, professional nursing care in a variety of settings. See additional information at School of Nursing. Due to the prior work experience of LPN pathway nursing students, all academic deficiency/remediations will be waived.

##### Pre-Licensure Admission Requirements

Admission decisions are based upon published criteria, faculty input, and program outcomes. The fall semester admission cycle opens October 1st and closes March 1; the spring semester admission cycle opens on April 1st and closes September 1st. Any exceptions to admission criterion must be reviewed and approved on a case-by-case basis by the Director and a committee of faculty. Students should work with their nursing advisor regarding the need for a possible exception.

1. Must meet university admission requirements; apply and be accepted to ECU prior to starting the program.
2. Minimum retention and program grade point average of 2.7/4.0, and grades of "C" or higher in all required related work.
3. Completion of a minimum of 24 credit hours of general education/ required related work/support courses, or the equivalent thereof at the time of application.
4. English Comp I & II, Math requirement, Chemistry, Biology, Human Anatomy (A&P I), Nutrition, and General Psychology must be completed prior to beginning the program.
5. Entrance exam must be taken by the application deadline, with a minimum score achieved, as outlined in the application information.
6. Once provisionally admitted, complete all remaining requirement related to clinical, attestations, and accreditation.

**2024-2025 Nursing - Bachelor of Science (121 Credit Hours)**

The 120 credit hours includes ECU's 40 hour general education program.

**General Education**

This program requires specific courses to be applied toward general education requirements. Seventeen (17) hours (BIOL 1114, CHEM 1114 or CHEM 1324, KIN 2183, MATH 1513 or MATH 1613, and PSYCH 1113) counted in the major.

**Required Core Courses (36 Credit Hours)**

NRSNG 1142 Introduction to Professional Nursing  
NRSNG 2104 Foundations in Nursing  
NRSNG 3118 Med Surg I  
NRSNG 3193 Pharmacology I  
NRSNG 3218 Med Surg II  
NRSNG 3393 Pharmacology II  
NRSNG 4164 Nursing-Childbearing Family  
NRSNG 4214 Psychiatric-Mental Health Nursing

**Required in Nursing Major (24 Credit Hours)**

NRSNG 2224 Physical Assessment  
NRSNG 3883 Nursing Research  
NRSNG 4375 Med Surg III  
NRSNG 4513 Prioritization & Critical Thinking  
NRSNG 4283 Community Health Nursing  
NRSNG 4382 Leadership in Nursing  
NRSNG 4954 Transition to Professional Practice

**Related Work (38 Credit Hours)**

BIOL 1114 General Biology  
BIOL 2184 Human Anatomy  
BIOL 2344 General Microbiology  
BIOL 3634 Human Physiology  
CHEM 1114 General Chemistry; OR  
CHEM 1324 Chemical Principles  
KIN 2183 Basic Nutrition  
MATH 1513 College Algebra; OR  
MATH 1613 Functions & Modeling  
PSYCH 1113 General Psychology  
PSYCH 3463 Child & Adolescent Psychology

Three (3) hours introductory statistics OR one of the following:

BSEC 2603 Business & Economic Statistics  
EHS 3703 Biostatistics  
MATH 1223 Intro to Probability Statistics  
PSYCH 3883 Behavioral Science Statistics  
SOC 3833 Stats for Social Sciences

\*Three (3) hour Computer course to meet OSHRE computer proficiency requirement.

**Nursing Electives**

NRSNG 4673 Healthcare Communications  
NRSNG 4683 Current Topics in Nursing  
NRSNG 4981-5 Seminar in Nursing  
NRSNG 4991-4 Individual Studies in Nursing

**Special Requirements**

### Department of English & Languages

#### Majors Offered

English - Bachelor of Arts  
 English (Teacher Certification) - Bachelor of Arts

#### Minors Offered

English  
 Humanities

#### Course Prefixes

2024-2025 English (ENG) Courses  
 2024-2025 French (FREN) Courses  
 2024-2025 German (GER) Courses  
 2024-2025 Humanities (HUM) Courses  
 2024-2025 Latin (LATIN) Courses  
 2024-2025 Russian (RUSS) Courses  
 2024-2025 Spanish (SPAN) Courses

#### Departmental Information

The Department of English and Languages offers a major in English. It offers minors in English, Humanities, and English as a Second Language, as well as course work in additional languages. Students in the department's major and minor programs enhance their reading and writing skills important in a variety of careers, absorb the cultural understanding necessary for success in a diverse society, and develop the critical thinking skills which will lead to professional and advanced academic success.

The major in English is appropriate for many professional and cultural objectives. By properly selecting courses, students may prepare for a variety of options:

graduate work in literature, writing, or linguistics;  
 certification for secondary teaching;  
 professional work in creative, expository, and technical writing; or  
 professional study in such areas as law or technical communication.

Because of the comprehensive variety of courses offered, students have opportunity within the major to explore areas of special interest: for example, American, British and World literatures, the English language, or technical and creative writing.

#### English Program

The Department of English and Languages offers undergraduate majors in English and English Teacher Certification. English majors develop broad cultural awareness and advanced reading and writing skills through study of poetry, drama, fiction, film, and critical theory. Additional study of creative and persuasive writing, and grammar and linguistics prepares students for graduate study in literature, rhetoric and composition, creative or technical writing, linguistics, or for study of law. English Teacher Certification majors take additional courses in methods of teaching English to attain state certification qualifying them to teach English at the middle and high school levels. The department also offers minors in English, English as a Second Language, and Humanities.

#### Languages

The department offers basic courses in French, and Russian. All foreign language studies provide awareness of the culture of the language and insight into the unique world view of different languages.

#### Humanities

The department offers a minor in the humanities, those branches of learning which deal with what is fundamentally human self consciousness, language, reason, creativity, human values and aspirations. The department and the college offer a wide range of humanities courses to serve the minor and satisfy university general education requirements. Examples include courses in literature, film, language, history, philosophy, religion, art, music, and theater.

#### 2024-2025 English - Bachelor of Arts (120 Credit Hours)

The 120 credit hours includes ECU's 40 hour general education program.

#### Required Core Courses (18 Credit Hours)

ENG 3143 Introduction to Film  
 ENG 3193 Persuasive Writing & Logic  
 ENG 3213 Shakespeare  
 ENG 3363 Critical Approaches to Literature

## Academic Colleges

---

ENG 4013 Grammar & Linguistics  
ENG 4883 Publication & Portfolio Capstone

### Required English Survey Electives (12 Credit Hours)

Four (4) of the following survey courses, including one from each category. Select one additional survey from American, British or World Literature.

#### American Literature

ENG 2433 American Literature to 1865  
ENG 2433 American Literature since 1865

#### British Literature

ENG 2643 British Literature to 1800  
ENG 2653 British Literature since 1800

#### World Literature

ENG 3913 World Literature to 1700  
ENG 3923 World Literature since 1700  
HUM 232 Global Literatures

### Senior-Level Electives (6 Credit Hours)

ENG 4000-Level  
ENG 4000-Level

### Any English Electives (6 Credit Hours)

ENG - any course  
ENG - any course

### Related Work (6 Credit Hours)

One 3hr elementary language course  
One additional 3hr elementary language course (sequential preferred)  
Students should consult with program advisor when selecting courses.

### General Electives (32-38 Credit Hours)

An elective course is any college-level course not required by the major program, but utilized to reach the minimum 120 credit hour requirement for degree completion. Elective courses are chosen according to the interest of the student.

### Special Requirements

A minor program of study is not required for this major.

### **Department Information**

Success in any career today demands flexibility based in three skill areas: the ability to think critically, the ability to analyze information from a variety of sources and apply that analysis to solving problems, and the ability to communicate that analysis to others. These skills are particularly critical for careers in law, government, business, teaching, medicine, as well as for success in graduate or professional school.

Founded solidly in the tradition of liberal arts, the Department of History at East Central University emphasizes developing these skills. Each History and Native American Studies major may, with the help of faculty, tailor a program to best match individual career and intellectual interests. The department offers degrees in History, and History (Teacher Certification). In addition, the department offers courses in Native American Studies.

### **History Program**

History offers students the richness of past experience to comprehend more lucidly humanity's progress and setbacks, great accomplishments and tragic failures. Historical study teaches judgment, examines values, and explores issues and events; it uncovers the sources of creativity and stagnation during the entire course of civilization's evolution. The significance of the past and its meaning for the possibilities of the present and future become a powerful tool of analysis and interpretation. The History program offers a wide range of courses in United States history, European history, and World history. A student may major or minor in history, selecting an area of concentration for either a BA or a BA with teacher certification

History as a major combined with other disciplines, provides excellent preparation for a productive and meaningful personal and professional life. Majors utilize their skills to teach history and related courses in elementary and secondary school. Graduates may also pursue advanced degrees in history in order to teach and conduct research at the college level. History majors also continue their education in other graduate and professional programs such as journalism, law, management, and public administration. Graduates also seek careers in business, public service, and informational and research positions.

### Department Information

The Political Science and Legal Studies programs offer degrees with very different objectives: the BA in political science and the BS in legal studies. Political science majors are given more of an emphasis on critical thinking and written and oral communication skills. Classes are typically discussion-based and service learning and simulations are often employed. The legal studies program is much more applied, teaching skills that will be applicable in the law office, such as legal business applications and knowledge of specialty law subjects. Most classes are based on lectures and focused projects. Both programs study the connection between law and politics and both programs are popular avenues to law school. Paralegals may not provide legal services directly to the public, except as permitted by law.

The Department of Politics, Law and Society also offers a wide variety of courses and a minor in sociology. Sociology is the scientific study of the social causes and consequences of human behavior. The subject matter of sociology has a broad range. It includes the study of the intimate family, as well as the hostile mob. Crime and its causes are studied, as well as religion and its influences. Divisions of race and social class are included, as well as the sharing of beliefs in a common culture. In addition, the department offers courses in cultural anthropology, archaeology, and Native American Studies.

##### Departmental Information

The Department of Professional Programs in Human Services offers educational programs that share the common goal of preparing graduates to work with people in a variety of practice settings. The human services field is one of the most rapidly expanding career fields in America today. The Professional Programs in Human Services Department focuses on those careers which require professional preparation for service to individuals, families, groups, and communities. Degree programs include Human Services, Counseling, Criminal Justice, Social Work or Prevention Science. In addition to a general degree program, the Counseling major may select a concentration in rehabilitation, aging services, or services to the deaf. Within the Counseling concentration, students may select a set of courses that prepare them for addictions counseling. The Criminal Justice student may choose criminal justice or law enforcement. The Social Work program, through its Child Welfare Professional Enhancement Program, offers students opportunities for guaranteed employment in child welfare. The student may create a degree plan which will prepare them for entry-level employment in a variety of settings.

The objectives for the Department of Professional Programs in Human Services are:

- 1.) To prepare students educationally for positions in counseling, criminal justice, or social work.
- 2.) To help supply both the regional and local employee pool for human service agencies and organizations.
- 3.) To provide students with a sound undergraduate base for graduate study.

##### Criminal Justice Program

The primary objective of the Criminal Justice degree is to prepare students for beginning professional jobs in the criminal justice system. The curriculum provides a core program of basic courses applicable to all criminal justice fields and specialties. Students gain practical experience through completion of an internship or for those seeking CLEET certification, the Collegiate Officer Program.

##### Human Services Counseling Program

The primary objective of the Human Services Counseling degree is to prepare students for beginning human services positions in a variety of government, civic, and private and not-for-profit community based agencies and organizations. These agencies focus on the needs of people experiencing a variety of issues, physical or mental problems, drug or alcohol abuse, aging related concerns, and job-seeking problems. Client groups to be served range from youth and minorities to those in crisis situations. To prepare students for a variety of employment opportunities, the Human Services Counseling curriculum provides the knowledge and skills needed for prevention and problem solving with both individuals and groups.

**Concentration in Rehabilitation** - The Rehabilitation concentration is designed to prepare students for positions in a variety of federal, state, and community rehabilitation agencies, facilities, and organizations that provide services to individuals with disabilities and addictions. Students completing the program have skills in interviewing, case management, planning, intervention, job/career development, and knowledge of the major disability groups, addictions, and disability culture.

Students may opt for the concentration in rehabilitation or may seek additional expertise in the field of addictions with the minor in Addictions. The rehabilitation program is a Registered Program on the Council on Rehabilitation Education's Undergraduate Program in Disability and Rehabilitation Studies. The program also has various scholarships specific to the rehabilitation program for students. These include assistance through Rehabilitation Services Administration, the Virgil Taylor Scholarship and the Lowell E. Green Scholarship.

### **Social Work Program**

The primary objective of the Social Work education program is to prepare competent and effective generalist social work professionals for entry into direct professional practice positions with individuals, families, groups, communities, and organizations. Students graduating with a degree in social work (BSW) are prepared for employment in many public and private agencies: health care, including hospitals, home health, and hospice; child welfare; mental health; and income maintenance programs. The Child Welfare Professional Enhancement Program provides incentives for social work students pursuing a career in Child Welfare. This program also provides students with an educational foundation for graduate education in social work.

The Social Work Program is nationally accredited by the Council on Social Work Education (CSWE). The curriculum prepares its graduates for generalist practice through mastery of nine core competencies as identified in the Educational Policy and Accreditation Standards (2008) by the CSWE. These core competencies are: demonstrate ethical and professional behavior, engage diversity and difference in practice, advance human rights and social, economic and environmental justice, engage in practice-informed research and research-informed practice, engage in policy practice, engage with individuals, families, groups, organizations, and communities, intervene with individuals, families, groups, organizations, and communities, and evaluate practice with individuals, families, groups, organizations, and communities.

### **Minors & Electives**

In addition to the degree programs, minors are offered in Addictions, Aging Services, Criminal Justice, Human Services Counseling, Interpreting, Juvenile Justice, Services to the Deaf, and Social Work. Through the informed selection of a minor and elective courses, students may gain more in-depth knowledge in selected areas of interest. Students are encouraged to consult with their faculty advisor in the choice of a minor and elective courses.

### **Requirements for Admissions to Professional Program in Human Services**

Students selecting a major in Professional Programs in Human Services (Human Services, Counseling, Social Work, Criminal Justice) must file an application with their faculty advisors. The application is submitted after the student has successfully completed the appropriate introductory course. (SOWK 2273 - Introduction to Social Work and Social Welfare or HURES 2183 - Fundamentals of Counseling; or HURES 2293 - Introduction to Aging; or HURES 2153 - Introduction to Deafness; HURES 2213 - Introduction to Rehabilitation; or CRJS 2233 - Introduction to Criminal Justice).

The criteria for admission are:

- 1.) Completion of a minimum of 30 semester hours with a minimum overall grade point average of 2.25 on all course work attempted.
- 2.) Attainment of a "C" or better in Freshman Composition I and II or fulfillment of this requirement by one of the following:
  - a. Earning a score of 3, 4, or 5 on the Advanced Placement Program of the College Board. A score of 4 or 5 fulfills the ECU requirement for both Freshman Composition I and II;
  - b. Scoring a 50 or higher on the College Level Examination Program (CLEP) with essay option will fulfill the ECU requirement for Freshman Composition I; there is no CLEP to test out of Freshman Composition II.
- 3.) Attainment of a "C" or better in the introductory course for the major.
- 4.) Receive a favorable recommendation by the faculty advisor and/or program faculty members. After full consideration, the applicant is (a) unconditionally admitted, (b) conditionally admitted, (c) not admitted, or (d) deferred, pending additional information.
- 5.) Conditional admission may be granted to a student below minimum requirements for admission if, based on findings by the advisor and/or program faculty, the student may reasonably be expected to meet admission standards within a specified length of time, no later than one semester prior to internship.

A student denied admission has the right to appeal the decision. The procedure for appeal is found in the ECU Student Handbook or may be obtained from the Department Chair.

\*Note: Social work majors not formally admitted to the Program are not permitted to be enrolled in social work courses beyond the introductory and field work courses.

### **Retention Requirements in Majors**

Social Work Major

- a. Retention in the Social Work Program is dependent upon the student maintaining his or her fully admitted status in the program, which includes grade point average, personal, professional and academic conduct.
- b. Students admitted to the Social Work Major on a "conditional" basis must meet full admission requirements in compliance with the plan developed between the student and their major advisor. Non-compliance with the remediation plan developed between the student and their major advisor, or inability to remediate the deficiency within one semester, will result in denial of admission.
- c. An ongoing process of evaluation of admission status is carried out by social work faculty. Admission status is Liberal Arts and Social Sciences 101 evaluated at the end of each academic year. d. e. a. A minimum grade of "C" is required in HURES 2083 and in all other major courses which carry a SOWK prefix. A student whose admitted status is withdrawn may appeal that decision using the university and Social Work Program appeals process as described in the Social Work Program Handbook.

Human Services Counseling and Criminal Justice Majors  
Same requirements as university retention policy.

### Requirements for Admission to Internship

All majors in a Professional Programs in Human Services Department degree program are expected to submit an Application for Internship that includes a degree check and an unofficial transcript. Due dates will be announced and posted.

The criteria for admission are:

- a. The student applying for internship must have a retention grade point average of no less than 2.50.
- b. Completion of all required major courses except internship. Social Work majors will take a 2 hour required integrative seminar, but this course is taken concurrently with the internship.
- c. Recommendation for internship by the faculty advisor and/or the program faculty.

A student who has been denied admission to the internship has the right to appeal the decision. The procedure for appeal is outlined in the Internship Application for each major.

### Internship Options

#### Option I - Full Semester - Full-Time Internships (12 Credit Hours)

This option requires full-time student enrollment for one semester. The student will be located at the internship site on a full-time basis. Internships are not available for Social Work Majors during the Summer Semester.

#### Option II - Extended Internship - Departmental Approval Required (6 Credit Hours Per Semester)

This option allows a student to equally divide the internship activities between two semesters. This is not an option for Social Work majors. Human Services Counseling students must petition and complete necessary forms for this option.

#### Option III - Work Experience Exemption - Departmental Approval Required

Students having suitable work experience may petition the Department Chair for exemption from internship. Students not participating in an internship will enroll in an equivalent number of credit hours of approved course work in lieu thereof. This is not an option for Social Work majors. Criminal Justice majors, when appropriate to the degree program, may be eligible to receive up to twelve (12) semester hours credit for having completed a law enforcement academy. Credit may be applied only to the 12-hour internship (see Department Chair for additional information).

#### Option IV

The Collegiate Officer Program (COP) offers the Criminal Justice major with a concentration in Law Enforcement the opportunity to become a certified peace or police officer in the State of Oklahoma. Students from other majors may choose to participate in the COP if they meet all eligibility requirements. The Collegiate Officer Program requires completion of selected criminal justice courses, a first aid course, and an eight (8) week skills portion administered by the Department of Professional Programs in Human Services. Additionally, all COP students must complete a thorough criminal background check and MMPI.

[2024-2025 Choctaw \(CHO\) Courses](#)  
[2024-2025 Native American Studies \(NAS\) Courses](#)

**Department Information**

ECU offers both a BA and a minor in Native American Studies. Native American Studies is an interdisciplinary program that reflects an awareness of the issues which contemporary native communities and peoples confront. By approaching the multiplicity of Indian cultures from a variety of academic perspectives, a deeper understanding of native societies past and present emerges. It makes use of the strengths of university faculty members in history, archaeology, political science, business, nursing, legal studies, art, English, professional programs in human services, and other disciplines.

We also offer a BA in Native American Studies - Cultural Resource Management (CRM). CRM students learn to manage cultural resources that include heritage and the arts. Archaeology and the study of material culture is central to their work. In addition to understanding Native American history and culture, students pursuing this major will learn about tribal, federal, state, and local regulations and guidelines that impact how we manage cultural resources.

[Return to Table of Contents](#)

 2024-2025 Mass Communication (MCOMM) Courses  
 2024-2025 SFA Courses  
 2024-2025 Theatre (THEA) Courses

**Department Information**

East Central University's Department of Art + Design : Media + Communication encourages collaboration across disciplines and offers major and minor programs in art, communication, and media. In art, students develop a personal, aesthetically based, problem solving approach to the visual arts and acquire skills in drawing, painting, design, sculpture, ceramics, and digital media. Lecture courses are designed to engage students in the contextuality of art as a historical dialogue.

Facilities include state of the art studios for drawing, painting, printmaking, ceramics, sculpture, digital imaging and foundations. The Department can access over 50,000 images via database for art history. It houses a state of the art digital imaging laboratory. Other equipment in the department includes: high fire, raku, and salt glazing kilns for ceramics; metal working equipment, a ceramic shell foundry, CNC machine, 3D printer, wood and stone carving equipment for sculpting; and equipment for etching, lithography, serigraphy, and relief printmaking, audio and video production.

**Art Program**

The department offers a Bachelor of Fine Arts degree with concentrations in studio art, art education, and graphic design. The concentration in studio art prepares students for positions as an artist or for further study in fine arts graduate programs. The concentration in art education prepares students for positions teaching art in school prekindergarten through grade twelve. The graphic design concentration prepares students for positions in which graphic design skills are paramount, which include design, typography layout and graphic design for publication, and corporate image design.

**Mass Communication Programs**

The department also offers a Mass Communication major with concentrations in Media Production, Advertising/Public Relations, and Strategic Communication. Media Production prepares students to enter graduate programs, media industries, government and business. It also serves students who wish to pursue careers and other interests in audio and video production, and electronic and print journalism. Advertising/Public Relations prepares students who wish to pursue careers representing businesses and other organizations through the use of mass media. Strategic Communication prepares students for careers in content creation, broadcasting/streaming, and public relations with listening and presentational skills, communications theory, and practical industry experiences. Minors are offered in Art, Communication, Art Therapy, Media/ Graphic Arts and Mass Communication. Certification in Mass Communication (Accounts Management) is offered.

**Internship Hours**

Over the course of a semester, a student might complete 30 logged internship hours per 1 internship course credit hour completed.

Music (Vocal) - Bachelor of Science

**Minors Offered**

Music

**Course Prefixes**

[2024-2025 Music \(MUS\) Courses](#)  
[2024-2025 SFA Courses](#)

**Departmental Information**

The Department of Performing Arts provides a general music and theatre education foundation for all students along with individual professional preparation for selected major fields within music and theatre. The department also enriches the cultural life of the campus and community. Students are encouraged to participate in band, choral and instrumental ensembles and theatre productions regardless of their major.

**Music Program**

The Department of Music offers the following degree programs: the Bachelor of Science degree with music majors in the Instrumental Concentration, the Instrumental Teacher Certification Concentration, the Vocal Concentration, and the Vocal Teacher Certification Concentration. Each area has options designed as preparation for careers in concert, theater, media performance, or as teacher-preparation leading to kindergarten through high school certification. Students who wish to prepare for a career in music business may complete the minor in Business Administration for Music Majors. Other minors and special endorsements in music are also available.

The curriculum has been designed to assist all participating students in reaching their maximum potential. Toward this end, the primary objectives of the undergraduate programs are (1) to further the performance ability in at least one musical medium, (2) to provide future teachers with the knowledge and skills necessary for them to be successful as professional music educators, (3) to allow some "semi-specialization" through courses directed toward instrumental and/or vocal education, and (4) to provide students with a wide range of educational/musical experiences which will encourage continued professional growth.

**Applied Music****Individual & Class Instruction Voice, Piano, Harpsichord, Organ, Wind, String and Percussion Instruments**

Private and class lessons: one semester hour credit for one half-hour private lesson, or two or more half-hour class lessons, with five hours of practice expected per week, for a semester or equivalent time in a shorter term. Extra fees are charged for instruction and for practice rooms (see fee schedule). The course numbers are progressive by semester in each of the Applied Music areas, and include one or two credit hours.

Private instruction course numbers for music majors and minors are as follows: 2201 - minor instrument (lower level), 2222 - major instrument (lower level), 3301 minor instrument (upper level), 3332 - major instrument (upper level). Numbers above 4082 indicate study completed beyond eight terms. The course description for all private instruction is "The study of solo vocal and instrumental literature of different historical periods and styles, and of diction in English, French, German, and Italian."

**Other Important Information for Music Majors**

- Participation in a music ensemble designed by the department as appropriate for the student's degree program is required each fall and spring semester at ECU, except for the student teaching semester of music education majors.

- Music majors must successfully complete eight semesters of MUS 1000 Performing Arts Recital (zero hours of credit, graded P/NP) for the Bachelors of Science-*non-teacher certification*, and seven semesters for the Bachelors of Science-*teachers certification*. Additional information, including modification of the requirement for transfers who were music majors at their previous institution, is given in the Music Department Handbook.
- Proficiency tests in Piano, in Theory and in Applied Music must be taken at the end of the sophomore year or its equivalent; transfer students must take these proficiency tests during their first week of classes at ECU. Re-examination will be permitted, but the tests must be passed before the senior recital. In Applied Music, a Proficiency Jury must be passed in order to enroll in 3000-level courses.
- ECU requires all music majors to complete a senior recital. The recital sequence requires performing and passing a preview recital at least 30 days prior to the senior recital. The requirement cannot be fulfilled through transfer credit. The student's passing grade will indicate successful completion of the recital in the final semester.
- Students declaring a Music major starting in the fall of 2015 or later, must successfully complete two semesters of SPA 1000 Cultural Attendance (zero hours of credit, graded P/NP).

[Time & Progress to Degree Completion](#)  
[Earning a Second Masters Degree](#)

### Introduction to the School of Graduate Studies

Graduate education offers students the opportunity to build upon prior educational achievements to increase knowledge and related skills for career or personal goals. As such, graduate courses assume students possess the commitments and academic skills necessary to approach increased levels of content mastery and application. Correspondingly, faculty will create courses with grading, testing, research and related standards clearly exceeding those reflected in undergraduate education. [Return to Table of Contents](#)

### Admissions Requirements

#### Admission to University

Persons desiring admission to the School of Graduate Studies must first be admitted to the University.

1. Complete an ECU Application for Admission/Readmission;
2. Submit one (1) official transcript from each undergraduate and graduate institution attended, other than East Central University;

#### Admission to the School of Graduate Studies

The School of Graduate Studies processes applications for admission to Graduate Studies. Students may be granted unconditional, conditional, provisional, or concurrent admission status. A student seeking admission to a Graduate Degree Program must complete the following steps:

1. Submit all other credentials required for admission to a specific Graduate Degree Program;
2. Develop a program of study in consultation with an assigned advisor.

#### Standards for Admission

1.) Hold a baccalaureate degree from an accredited college or university.

2.) Meet the academic admission requirements for the Graduate Degree Program sought:

- a. Program GPA
  - All MED programs require a minimum undergraduate cumulative GPA of 2.5.
  - All other programs require a minimum undergraduate cumulative GPA of 3.0.
- b. Resume/Curriculum Vita
  - Must include contact information for three (3) references that can speak to your academic preparedness for graduate level work.
- c. Writing Sample

Admission to one graduate degree program/option does not imply admission to any other graduate degree program/option, nor does it imply admission to any undergraduate degree option.

#### Unconditional Admission

Unconditional admission to the School of Graduate Studies indicates that the applicant has submitted all relevant documents and met all requirements for admission to the University, the School of Graduate Studies, and the specific Graduate Degree Program.

#### Conditional Admission

Conditional admission to the School of Graduate Studies may be granted to an applicant who has met all academic requirements for unconditional admission, but has not submitted all documentation required by the Graduate Degree Program. Students with conditional admission may register for courses for one semester. Students must submit all program documentation and be admitted to the graduate degree program to enroll in subsequent semesters. No more than one semester of credit may be applied to a Graduate Degree Program; time limits apply to these credits.

#### Provisional Admission

Provisional admission to the School of Graduate Studies may be granted to an applicant who does not meet all the requirements for unconditional admission to a Graduate Degree Program. Students must submit all required program documents and be approved by the Graduate Degree Program to be admitted. When a student admitted on a provisional basis successfully completes all program provisions, the student will be moved to unconditional admission status. Students failing to meet one or more program provisions will be suspended.

#### Concurrent Graduate Study (i.e., undergraduates enrolling in graduate courses)

A senior student who lacks less than a full normal study load and who has completed a minimum of 100 credit hours may be permitted to enroll in courses applicable to a graduate degree program, subject to the following study load provisions:

#### Fall and Spring Semesters:

1. A maximum of nine (9) undergraduate and six (6) graduate credit hours; or
2. A maximum of twelve (12) undergraduate and three (3) graduate credit hours.

#### Summer Semester:

1. A maximum of three (3) undergraduate and three (3) graduate credit hours; or

2. A maximum of six (6) graduate credit hours.

No more than six (6) hours in a semester may be applied to a Graduate Degree Program. Graduate credit hours earned may be applied toward either the baccalaureate or graduate degree, but not towards both. Enrollment in graduate courses does not imply admission to the School of Graduate Studies or a graduate degree program. No more than twelve (12) semester hours earned under this policy may be applied to a graduate degree program. Graduate enrollment will be changed to non-graduate if baccalaureate graduation requirements are not met. Students seeking financial aid should meet with their Financial Aid Counselor before enrolling in both graduate and undergraduate courses. The following rules will also apply:

1. After a student requests that a graduate course be moved from the undergraduate to the graduate transcript, the course may never be moved back to the undergraduate transcript.
2. Courses will never be moved to from the undergraduate transcript to the graduate transcript after an undergraduate degree has been awarded. If a graduation application for an undergraduate degree was submitted prior to the request to move a graduate course to the graduate transcript, then special approval will be required from the University Registrar before the course is moved.
3. A course may not count toward a graduate degree unless it is transcribed to the graduate transcript.
4. Any an all enrollment in graduate level coursework by undergraduate students must be approved by the Dean of the Graduate School.
5. Graduate level courses will never be moved to the undergraduate transcript under any circumstances.

[Return to Table of Contents](#)

### Retention Information

#### Overall GPA

Graduate students must maintain an overall ECU graduate retention grade point average (GPA) of 3.0 or higher to remain academically in good standing with the School of Graduate Studies. For more information concerning academic standing within the School of Graduate Studies, please see the full academic policy section of this catalog.

#### Course Grades

Graduate students can earn no more than two (2) C's in their graduate degree program to remain academically in good standing with the School of Graduate Studies. Graduate students earning a grade of D or F in a course may not count that course toward their graduate degree program requirements. Some programs have more stringent grade requirements.

#### Seminar and Pass/Fail Credit Limits

Credit earned in seminars must be germane to the student's Graduate Degree Program and approved by the program director in order to count toward a graduate degree. No more than three (3) hours of course work graded as pass/fail may count toward a graduate degree. Specific programs may have exceptions for practicums and internships.

#### Certification Courses

Graduate certificates may satisfy some requirements for Licensed Professional Counselor and others. For further information, contact the Dean or Graduate Program Coordinator of the College of Education and Psychology or the Graduate Program Coordinator of the Professional Programs in Human Services Department.

[Return to Table of Contents](#)

### Time & Progress to Degree Completion

#### Time Limit for Completion of Degree

Graduate credit applied towards a graduate degree must be completed within six (6) years prior to the completion of the degree, exclusive of any time spent in the Armed Forces of the United States of America. Work completed more than six (6) years prior to completion of the degree may not be counted toward the degree but may count toward professional certification.

#### Progress Toward Degree

Students who have not successfully completed coursework after one year must reapply to the University and the School of Graduate Studies. Students who have not successfully completed course work for two years must reapply to the graduate degree program.

#### Application for Degree

A student must apply for award of a degree according to the deadline specified by the university for the semester in which the degree will be awarded. (Failure to graduate necessitates reapplication.) Application for graduation may be found on Colleague Self-Service. For more information about the graduation application process, please see the relevant policy in the full academic policy section of this catalog.

[Return to Table of Contents](#)

### Earning a Second Master's Degree

#### First Degree From Another Institution

Students with a graduate degree from an accredited institution may complete a subsequent graduate degree at East Central University by completing all requirements for that degree. The subsequent graduate degree must include a minimum of twenty-one (21) graduate credit hours not applied toward any other graduate degree. All credit hours accepted from the first graduate degree must be reviewed and approved by the graduate program faculty and the Dean of Graduate Studies. Only courses with a minimum grade of B will be accepted from the first graduate degree. Students may petition for an exception to this policy in certain situations (such as completion of licensure requirements). All exceptions must be reviewed and approved by the graduate program faculty and the Dean of Graduate Studies.

#### First Degree From East Central University (ECU)

The second graduate degree must include a minimum of twenty-one (21) credit hours not applied toward the first graduate degree. In the following two scenarios, the programs have been designed so that credits earned while completing the first program can be applied toward the second, while allowing students to remain in compliance with the 21 credit hour rule.

Scenario\_1: School Psychometry (MEd) *followed by* Master of Science in Psychological Services (MSPS) or Education Specialist (EdS)

Scenario\_2: Education Leadership (MEd) *followed by* a Doctor of Education (EdD)

[Return to Table of Contents](#)

### Master of Business Administration (MBA)

**Program Purpose & Objectives**

The Master of Business Administration program is designed to provide working professionals with the knowledge and abilities necessary to further their careers in executive, managerial and administrative roles in business, health care, state and local government entities, tribal governments, and nonprofit organizations.

**The MBA is new for Fall 2024 and the program is enrolling new students. As some courses to be completed during the final stages of the MBA are still under construction, a complete list of course requirements is not available at this time. The information is expected to become available soon.**

[Return to Table of Contents](#)

**Master in Management (MIM; 30 Credit Hours)****Program Purpose & Objectives**

The Master in Management (MiM) degree targets students whose first degree is outside a business field or who have a degree in a business field, but would like to enhance their knowledge of business. The program is designed primarily for individuals in one of the following three groups:

1. Students who have just completed a non-business undergraduate degree whose first job prospects would be enhanced with the completion of a graduate degree in management.
2. Full-time employees with a non-business undergraduate degree who are entering or hope to soon enter a management position.
3. Full-time employees who have a business degree but find themselves underemployed or who have not been employed in a management position.

**Required Courses (24 Credit Hours)**

ACCT 5113 Accounting for Managers  
 BUSLW 5203 Advanced Employment & Labor Law  
 ECON 5103 Economics for Managers  
 FIN 5103 Finance for Managers  
 MGMT 5203 Foundation of Management  
 MGMT 5503 Leadership & Organizational Behavior  
 MGMT 5703 Strategic Management  
 MKTG 5103 Marketing Management

**Elective Courses (6 Credit Hours)**

Select two of the following courses:

MGMT 5043 Special Topics in Management  
 MGMT 5103 Introduction to Graduate Business Studies  
 MGMT 5603 Managing in Global Economy  
 MGMT 5953 Internship in Management

[Return to Table of Contents](#)

**Master of Science in Accounting (MSA; 30 Credit Hours)****Program Purpose & Objectives**

The Master of Science in Accounting is designed to prepare students to move into authority positions in manufacturing companies, governmental units, not-for-profit entities, public accounting firms, and other professional or service organizations. The unique combination of human skills, knowledge, and technology embedded in the curriculum will prepare graduates for these opportunities. Specifically, students should leave the program knowing how to anticipate and meet the changing needs of their customers; utilize and leverage technology in ways that add value to these customers; interpret and provide a broader context to financial and non-financial information; link data, knowledge, and insight together to provide quality advice for strategic decision-making; and, give and exchange information within a meaningful context and with the appropriate delivery and interpersonal skills.

The Program curriculum has been specifically designed to provide an educational experience which will prepare students to successfully complete all portions of the Certified Public Accountant (CPA) exam, while earning an advanced degree. The Program will also qualify graduates to sit for the Certified Management Accountant (CMA) or Certified Internal Auditor (CIA) exams. The MSA Program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

**Ethics & Professional Standards**

The student admitted to the Master of Science in Accounting program needs to familiarize himself or herself with and act in accordance with the ethical standards required by the American Institute of Certified Public Accountants (AICPA) Code of Professional Conduct. Any behavior on the part of the student which may conflict with the standards in the above document will be reviewed by a committee from the Harland C. Stonecipher School of Business faculty consisting of the advisor, an accounting faculty member chosen by the chair, and a Harland C. Stonecipher School of Business faculty member chosen by the student. The committee will have the authority to take any of the following actions: exonerate the student, notify the student and plan appropriate ameliorative action, notify appropriate boards and law enforcement agencies, or dismiss the student from the program.

**Background Courses (Undergraduate Prerequisites)**

The purpose of background courses is to provide a strong base of knowledge for advanced business and accounting studies. Background courses may be waived for students who have successfully completed and achieved a grade of "C" or higher on previous course work addressing a specified content area. Background courses cannot be used to fulfill the 30 hours of MSA graduate courses. Applicants who must satisfy background course requirements may be admitted as non-degree seeking students to take undergraduate courses. The background course requirement is composed of the following courses:

ACCT 3203 Cost Accounting I  
 ACCT 3303 Intermediate Accounting I  
 ACCT 3383 Federal Income Tax Accounting  
 ACCT 3403 Intermediate Accounting II  
 ACCT 4503 Auditing  
 BSEC 2603 Business & Economics Statistics  
 BUSLW 3213 The Legal Environment of Business  
 ECON 3113 Financial Management  
 MIS 3433 Management Information Systems

**Graduate Curriculum for MSA**

In addition to satisfying the background course requirements, all MSA students must complete 30 hours of graduate courses. Some latitude is allowed in selecting courses. However, students must satisfy all prerequisites of a graduate course before enrolling. The Internship in Accounting can be taken for 3 hours credit only after successful completion of at least 12 semester hours of graduate courses.

### **Required Courses (18 Credit Hours)**

ACCT 5073 Advanced Auditing  
ACCT 5103 Financial Statement Analysis  
ACCT 5123 Tax Compliance & Planning  
ACCT 5203 Advanced TAX  
ACCT 5403 CPA Prep  
BUSLW 5133 Contemporary Legal Issues

### **Accounting Elective Courses (3 Credit Hours)**

Select one of the following courses:

ACCT 5023 Development of Accounting Theory  
ACCT 5043 Special Topics in Accounting  
ACCT 5303 Forensic Accounting & Fraud Examination  
ACCT 5953 Internship in Accounting

### **Non-Accounting Elective Courses (9 Credit Hours)**

BSEC 5203 Quantitative Methods for Accounting  
BUS 5123 Organizational Leadership  
BUSLW 5203 Advanced Employment & Labor  
ECON 5143 Applied Economics  
MKTG 5173 Marketing Analysis

[Return to Table of Contents](#)

### **Doctorate of Education in Rural Education (EdD; 60 Credit Hours)**

Students applying to the program are required to have earned a master's degree with a minimum GPA of 3.00. Across the United States, at least 30,000 rural schools employ approximately 916,000 personnel. Oklahoma has 205,945 students in rural schools, comprising 264 school districts. The Ed.D. in Rural Education is specifically designed to address rural education's unique circumstances and challenges. Specific coursework will help educational leaders navigate curriculum development, strategic planning, supervision, organizational change, and advocacy for rural schools. According to the U.S. Census Bureau (2020), 52% of the schools in Oklahoma are defined as rural.

In addition to general educational requirements in a doctoral program, this program focus on the needs that are unique to leaders in Oklahoma rural schools. Rural education leaders need to know how to address the unique issues in rural communities, such as "varying access to healthcare, food security, Internet connectivity, access to advanced coursework, and high-quality educational resources" (OSDE, 2020, para. 2). This program includes an applied dissertation. The distinctive opportunities provided by an applied dissertation included working on issues, challenges, or problems in a local rural community to research possible solutions that can be put into place immediately. The applied focus of this program allows the students to research that has an immediate impact on day-to-day operations and activities in the rural community.

Courses will be offered fully online in eight-week terms so working adults can integrate graduate study into their lives, with five opportunities to start each year. Professional instructional designers support faculty to prioritize student learning and ensure that courses meet high quality standards. Degree for the working adult/professional. 8 weeks online courses. Concepts learned in courses today can be implemented in rural communities tomorrow.

### **Research, Measurement & Statistics (3 Credit Hours)**

EDUC 5113 Techniques of Research

*\*Must be taken within the first eight (8) hours of the program*

*\*Must earn and "A" or "B" in this course*

### **Administration Track (21 Credit Hours)**

EDUC 5173 Fundamentals of Curriculum; OR  
EDUC 5363 Principles of Instructional Design  
EDUC 5533 Fundamentals of Public School Administration  
EDUC 5513 Supervision of Instruction  
EDUC 5723 Advanced Legal Aspects of Education  
EDUC 5773 Politics & Governance of American Education  
EDUC 5523 School Plant Management  
EDUC 5943 Educational Technology Leadership

### **Core Courses (27 Credit Hours)**

EDUC 6003 Contemporary Issues and Advocacy in Rural Education  
EDUC 6013 History and Foundations of Rural Education  
EDUC 6023 Leading Special Programs in Rural Education  
EDUC 6033 Organizational Changes/Strategic Planning in Rural Education  
EDUC 6043 Advanced Public School Finance in Rural Education  
EDUC 6053 Applied Dissertation/Capstone Seminar Orientation  
EDUC 6063 Quantitative/Qualitative Research  
One additional elective course taken at the graduate level worth three (3) credit hours.

### **Applied Dissertation (12 Credit Hours)**

EDIS 7003 Applied Dissertation/Capstone 1 - Prospectus  
EDUS 7013 Applied Dissertation/Capstone II - Research  
EDUS 7023 Applied Dissertation/Capstone III - Dissertation  
Note: EDUS 7023 will be completed twice for a total of six (6) credit hours.

### **Other Program Notes**

The administrative track portion of the program does not lead to certification like the MEd in Educational Leadership. Educators interested in leadership programs may also wish to consider ECU's Superintendent program.

[Return to Table of Contents](#)

### **Education Specialist (Eds; 63 Credit Hours)**

The Ed.S program in School Psychology in ECU will allow students to receive extensive training which will be eligible for the qualification of a Nationally Certified School Psychologist (NCSP). This 63-Hour program will allow students to be extremely marketable for employment in the schools as a school psychologist anywhere in the United States as well as allowing for potential pay increases based on national certification status. The focus of the program will be equipping professionals by training them in the areas of assessment, consultation, special education law and academic/behavioral intervention.

### **Psychological & Counseling Foundations (27 Credit Hours)**

EDPSY 5163 Cog Beh Theories & Methods of Coun & Psychology  
 EDPSY 5353 Standardized Group Tests  
 EDPSY 5433 Affective Theories of Counseling & Psychotherapy  
 H/P/E 5443 Advanced Group Counseling  
 PSYCH 5063 Advanced Physiological Psychology  
 PSYCH 5143 Stat & Design in Applied Psychology

## **Master of Education (MEd)**

### **Program Purpose & Objectives**

The Master of Education degree at East Central University offers educators and other professionals in depth study in several specialization areas. Candidates can choose a new program that prepares them for a job in an education related field such as Educational Leadership, Instruction Design and Technology, Special Education, or Sports Administration. Candidates can choose a Post Masters Certification in School Superintendent. Each program offers courses based on best practices in the field and is designed to provide a research foundation from which candidates make informed decisions. Candidates graduate from these programs as professional, reflective, innovative leaders.

The Master of Education degree programs that lead to new certification areas are accredited by the State of Oklahoma and by the Specialty Program Associations affiliated with The Council for the Accreditation of Education Preparation (CAEP). Each specialty program is designed to teach specific program standards which are addressed throughout the program of study. In addition to the specific program standards, all advanced degrees leading to certification are aligned with the following CAEP standards:

1. ECU will ensure that candidates develop a deep understanding of the critical concepts and principles of their discipline and, by completion, are able to use discipline-specific practices flexible to advance the learning of all students toward attainment of college and career-readiness standards.
2. ECU will ensure that effective partnerships and high-quality clinical practice are central to preparation so that candidates develop the knowledge, skills, and professional dispositions necessary to demonstrate positive impact on all P-12 students' learning and development.
3. ECU will demonstrate the quality of candidates is a continuing and purposeful part of its responsibility from recruitment, at admission, through the progression of courses and clinical experiences, and to decisions that completers are prepared to teach effectively and are recommended for certification.
4. ECU will demonstrate the impact of its completers on P-12 student learning and development, classroom instruction, and schools, and the satisfaction of its completers with the relevance and effectiveness of their preparation.
5. ECU maintains a quality assurance system comprised of valid data from multiple measures, including evidence of candidates' and completers' positive impact on P-12 student learning and development. The provider supports continuous improvement that is sustained and evidence based, and that evaluates the effectiveness of its completers. The provider uses the results of inquiry and data collection to establish priorities, enhance program elements and capacity, and test innovations to improve completers' impact on P-12 student learning and development.

The Master of Education programs at ECU that are related to education but are not restricted to certified teachers are Educational Leadership, Instructional Design and Technology, School Psychometry, Sports Administration, and Special Education. The Educational Leadership program is aligned with the Educational Leadership Constituent Council (ELCC) Standards. The Instructional Design and Technology Program is aligned with the Association for Education Communications and Technology standards (AECT), the Secondary Education-Academic Discipline Program is aligned with specific content standards. The Special Education program is aligned with The Council of Exceptional Children (CEC) standards. The Sports Administration Program is aligned with the National Association for Sport and Physical Education standards (NASPE) and the North American Society for Sport Management (NASSM) standards.

A common structure is shared generally within these degree options, all of which lead to the Master of Education degree. The curriculum for each program, however, is designed around specific standards.

### **Special Requirements of the Master of Education Degree**

Hold one of the following:

1. A Standard Teaching Certificate
2. An Alternative Education acceptance letter (which must be on file)
3. Written affirmation that the candidate understands the master's degree alone may not, and in many instances will not, lead to state certification until additional state certification requirements have been met. Only specific programs are eligible for this option.

### **Degree Options**

## Academic Colleges

---

Students pursuing the Master of Education degree must select one of the following degree options. Such selection shall be made at the time of admission to the graduate program since a change of option may result in the students having completed inapplicable work.

[Return to Table of Contents](#)

### **Master of Education (MEd) - Educational Leadership Option (32 Credit Hours)**

The graduate program option for Educational Leadership is designed for the graduate student specializing in administration for grades K-12. Special attention is given to the knowledge, skills and dispositions necessary to become an effective school principal.

#### **Research, Measurement & Statistics (3 Credit Hours)**

EDUC 5113 Techniques of Research

\* Must be taken within the first eight (8) hours of the program.

\*Must earn an "A" or "B" in this course.

#### **Specialization: School Principal (14 Credit Hours)**

EDUC 5533 Fundamentals of Public School Administration

EDUC 5573 Public School Finance

EDUC 5583 Legal Aspects of Education

EDUC 5623 The Principalship

EDUC 5832 Practicum and Portfolio in Public School Administration

#### **Curriculum & Instruction (6 Credit Hours)**

EDUC 5173 Fundamentals of Curriculum; OR

EDUC 5853 Advanced Strategies for Effective Teaching

EDUC 5513 Supervision of Instruction

#### **Special Phases of Administration (6 Credit Hours)**

EDUC 5413 Introduction to Counseling

EDUC 5943 Education Technology Leadership

#### **Supportive Area (3 Credit Hours)**

Select one of the following courses:

EDUC 5013 Advanced Educational Technology Strategies

EDUC 5023 Educational Aspects of Exceptional Child

EDUC 5133 Modern Philosophies of Education

EDUC 5183 Contemporary Issues in Education

EDUC 5843 Advanced Classroom Management

[Return to Table of Contents](#)

### **Master of Education (MEd) - Library Media Option (32 Credit Hours)**

The Master's of Library Media is designed for graduate students planning to become a School Library Media Specialist in grades PreK-12th in public or private educational settings. The intent of the program is to prepare competent, certified School Library Media Specialists in accordance with state and national professional standards and guidelines. All areas of school librarianship, including technology, are emphasized. Special attention is given to the development of the student as a consumer of research along with a major emphasis on the knowledge, skills and attitudes that are necessary to become a School Library Media Specialist.

#### **Program Prerequisite or Co-Requisite (3 Credit Hours)**

EDLBS 4913 Children's Literature; OR

EDLBS 5913 Advanced Children's Literature

#### **Research, Measurement & Statistics (3 Credit Hours)**

EDUC 5113 Techniques of Research

\*Must be taken within the first eight (8) hours of the program.

\*Must earn an "A" or "B" in this course.

#### **Program Course (18 Credit Hours)**

LIBSC 5113 School Library Administration I

LIBSC 5133 Materials Selection

LIBSC 5213 Cataloging & Classification

LIBSC 5233 Information Resources

LIBSC 5923 Young Adult Literature

LICSC 5973 Curriculum and the School Library

#### **Specialization (6 Credit Hours)**

EDLBS 5333 Administration & Use of Instructional Media

EDUC 5003 Multimedia Technology

EDUC 5363 Principles of Instructional Design

EDUC 5933 Survey of Emerging Technologies

LIBSC 5353 Literacy in the School Library

#### **Portfolio (2 Credit Hours)**

LIBSC 5952 Practicum & Capstone in Library Media

#### **Electives (3 Credit Hours)**

Select one of the following courses:

EDLBS 5913 Advanced Children's Literature

EDUC 5233 Survey of Teaching Reading

EDUC 5603 Survey of Intellectual Property

[Return to Table of Contents](#)

**Master of Education (MEd) - School Counseling Option (33 Credit hours)**

The graduate program option for the school counselor is designed for the graduate student specializing in counseling at the elementary or secondary level and leads to the Master of Education Degree. Special attention is given to the development of the student as a consumer of research along with a major emphasis on the knowledge, skills, and attitudes that are necessary to become a school counselor.

**Research, Measurement & Statistics (3 Credit Hours)**

EDUC 5113 Techniques of Research

\*Must be taken within the first eight (8) hours of the program).

\*Must earn an "A" or "B" in this course.

**Professional Ethics & Orientation (3 Credit Hours)**

EDUC 5413 Introduction to Counseling

\*Must be taken the first semester.

**Foundations of School Counseling (9 Credit Hours)**

EDPSY 5163 Cog Beh Theories & Methods of Coun & Psychotherapy

EDPSY 5353 Standardized Group Tests

PSYCH 5113 Theories of Personality & Human Behavior; OR

PSYCH 5473 Advanced Psych of Childhood & Adolescence

**Specialization (12 Credit Hours)**

EDPSY 5363 Career Development

EDPSY 5433 Aff Theories & Teach of Coun & Psychotherapy

EDUC 5453 Developmental Guidance

H/P/E 5443 Advanced Group Counseling

**Practicum & Intervention Strategies (6 Credit Hours)**

EDUC 5483 Counseling Intervention Strategies

EDUC 5493 Practicum & Capstone in School Counseling

\*Courses are to be taken concurrently at the end of program.

[Return to Table of Contents](#)

**Master of Education (MEd) - School Psychometry Option (33 Credit Hours)**

This degree focuses on the applied knowledge needed in the development and use of educational and testing skills for student assessment. The curriculum is designed to address the educational and psychological concerns associated with educational assessment of students with routine and special needs in the classroom.

**Psychological Foundations (12 Credit Hours)**

EDPSY 5353 Standardized Group Tests

EDUC 5023 Educational Aspects of Exceptional Children

PSYCH 5063 Advanced Physiological Psychology

PSYCH 5173 Prof Orientation & Ethics in Clinical Psychology

**School Psychometry Specialization (18 Credit Hours)**

EDPSY 5143 Introduction to School Psych Services

EDPSY 5403 Non-Traditional Assessment

PSYCH 5313 Advanced Educational Psychology

PSYCH 5403 Intellectual Assessment

PSYCH 5433 Diagnostic Assessment

PSYCH 5473 Advanced Psychology of Childhood & Adolescence

**Field Experience (3 Credit Hours)**

EDPSY 5693 Practicum in School Psychometry

### **Master of Science in Psychological Services (MSPS)**

#### **Program Purpose & Objectives**

The Master of Science in Psychological Services degree is designed to develop professionals who can function as Licensed Professional Counselors, Licensed Behavioral Practitioners, School Psychologists, Sport Psychologists or psychological assistants in such settings as mental health centers, guidance centers, mental hospitals, alcohol and drug treatment centers, correctional institutions, individual athletes and teams, and as an independent practitioner as defined by the licensure or certification board(s) of his or her chosen program of study. The role of these professionals is to help people more fully to develop their potential for creative productivity and emotional satisfaction. The following general objectives are intended to prepare students to fill this role:

1. To provide opportunities for students to acquire knowledge of the general principles involved in providing psychological services;
2. To prepare students to understand research methodology and to use research reports and psychological literature;
3. To prepare students to provide the psychological services of counseling, consulting, and evaluating.

Students in this program are expected to have or to acquire in the early phases of training knowledge of general psychology, statistical methods, psychology of learning and its application to behavior modification, psychology of personality, abnormal psychology, and psychological evaluation. A course in theory and research in psychological services builds on this background to develop competencies in research and the use of psychological literature. Courses in individual mental testing, and individual psychological evaluation, help students to acquire the skills to evaluate people. Courses in behavior change and clinical psychology help students to provide counseling services to people. A course in community consultation helps students to provide consultation in their work setting and community.

Small classes and ample opportunities for interaction with faculty and students provide an excellent opportunity for students to develop the skills necessary to function well in their occupations. Graduate teaching assistantships and graduate research assistantships provide financial assistance as well as unusual opportunities for learning.

Each student will be assigned a faculty graduate advisor upon entering the program and will be expected to work closely with the advisor. A student will need to work with his or her advisor in meeting basic professional goals. This MSPS degree qualifies an individual to work in applied areas of psychology under supervision. At the completion of the program, students will have met the academic requirements for certification as a Licensed Professional Counselor, a Licensed Behavioral Practitioner, Applied Sport Psychologist, or School Psychologist.

#### **Practicum/Internship**

The student will spend a minimum number of hours receiving direct supervision with a qualified mentor and direct client contact hours as required by his or her practicum(s) or internship(s). The student must complete an application form for practicum placement at least five weeks before the semester in which the practicum begins.

The student's advisor and the Practicum/Internship Supervisors will determine the type and appropriateness of supervision for each placement. The student will spend a minimum number of hours receiving direct supervision with a qualified mentor and direct client contact hours as required by his or her practicum(s) or internship(s).

#### **Ethics & Professional Standards**

The student admitted to the Master of Science in Psychological Services program needs to familiarize himself or herself with and act in accordance with the ethical standards required by the following board and professional organizations:

1. American Psychological Association
2. American Counseling Association
3. National Board for Counselor Certification
4. Association of Psychological Sciences
5. Oklahoma State Board of Behavior Health

As well as the professional organization for his or her specific program of study:

1. National Association of School Psychologist or
2. Association for Applied Sport Psychology

Any behavior on the part of a student which may conflict with the standards in the above documents will be reviewed by a committee from the psychology faculty consisting of the advisor, a psychology faculty member appointed by the chair, and a faculty member chosen by the student. The committee will have the authority to take any of the following actions: exonerate the student, notify the student and plan appropriate ameliorative action, notify appropriate boards and law enforcement agencies, or dismiss the student from the program.

[Return to Table of Contents](#)

#### **Master of Science in Psychological Services (MSPS) - Counseling Psych. Option (60 Credit Hours)**

Counseling Psychology focuses on the skills and knowledge needed to facilitate personal and interpersonal functioning within mental health practice and different community mental health settings. The curriculum is broad based to prepare students in working with many different populations. Students in this track will be eligible to seek state LPC and LBP licensure.

#### **Psychology & Counseling Foundations (27 Credit Hours)**

 PSYCH 5473 Advanced Psychology of Childhood & Adolescence

#### **Field Experience (6 Credit Hours)**

The following course will be completed twice.  
 PSYCH 5553 Practicum in Psychology  
 PSYCH 5553 Practicum in Psychology

Students who plan to apply for Oklahoma state LPC licensure are strongly advised to complete 6 elective program courses approved by the State Board of Behavioral Health Licensure (BBHL). Thesis hours are not accepted for LPC coursework. Candidates who do not adhere to the LPC Planned Program of Study for the MSPS Counseling Psychology Program may be subject to individual course review and at the discretion of the board denied approval or required

to complete additional coursework. Therefore, course substitutions for the Counseling Psychology option will only be approved after the candidate signs a contract stating he or she understands these possible consequences.

[Return to Table of Contents](#)

### **Master of Science in Psychological Services (MSPS) - School Psych. Option (60 Credit Hours)**

School Psychology focuses on the skills and knowledge needed for providing psychological services within public school settings. The curriculum is designed to prepare students to work with diverse childhood populations, including children from diverse demographic backgrounds as well as children with diverse learning, behavior, and emotional needs. Students who successfully complete this track will be eligible to seek state School Psychologist and School Psychometrist certification.

#### **Master of Arts in Criminal Justice Administration (MA; 30 Credit Hours)**

##### **Program Purpose & Objectives**

A Master of Art in Criminal Justice Administration degree supports the need for an understanding of the administration and management of criminal justice agencies and organizations. A degree in criminal justice administration trains students to be leaders and administrators in the field of criminal administrative roles in many areas of criminal justice including the following: city police departments, sheriff's offices, state departments of correction, federal law enforcement agencies, and private sector agencies. Specifically, this degree will prepare students for roles as police chiefs, assistant or deputy chiefs, sheriffs, undersheriffs, wardens, deputy wardens, and chief agents of law enforcement entities.

1. Use a multidisciplinary approach to increase students' understanding of leadership in criminal justice agencies and organizations.
2. Produce ethical criminal justice leaders who are responsible and informed decision makers.
3. Cultivate critical thinking skills that are applicable in criminal justice agencies and organizations.
4. Teach students to utilize evidence-based practices in criminal justice, leadership, and administration.

##### **Required Courses (18 Credit Hours)**

COUNS 5103 Human Services Research  
 CRJS 5013 Administration in the Criminal Justice System  
 CRJS 5113 Political & Legal Aspects of the Criminal Justice System  
 CRJS 5323 Foundations of the Criminal Justice Profession  
 CRJS 5433 Advanced Crime Theory  
 HURES 5433 Organizational Decision Making & Leadership

##### **Elective Courses (12 Credit Hours)**

Select four of the following courses:  
 COUNS 5183 Addiction Theory  
 COUNS 5283 Psychopharmacology & Substance Abuse  
 CRJS 5213 Litigation in the Criminal Justice System  
 CRJS 5333 Crime Reduction Strategies  
 HURES 5123 Grant Proposal Writing  
 HURES 5303 Program Evaluation  
 WRPM 5113 Advanced Native American Law

#### **Master of Science in Clinical Mental Health Counseling (MS)**

### **Program Purpose & Objectives**

The Master's Degree in Clinical Mental Health Counseling is designed to provide the student with the theory, knowledge, and skills necessary for employment in a variety of public and private settings.

The program objectives are as follows:

1. To contribute to the career development of persons currently employed in both the public and private sector.
2. To prepare pre-service professionals to enter the fields of mental health counseling.
3. To provide practicum and internship experiences common to the students' career choice.
4. To develop the interpersonal, consultation, and coordination skills required for program development, management, and evaluation.
5. To provide specific specialized experiences related to the students' present or desired career objective.

### **Admission to the Master of Science in Clinical Mental Health Counseling Degree**

The MSHR Program seeks mature, emotionally stable individuals with a strong sense of personal responsibility and integrity. With this in mind, applicants are assessed by the program's Graduate Admission Committee through an evaluation and weighing of all admission materials (e.g., admissions statement, interview, work experiences, recommendation forms, test scores) during both the fall and spring semesters. In addition to academic performance, measured primarily by grade point average, the Admissions Committee considers other factors that contribute to the development of a professional. Formal work experience in the human services, particularly in settings that serve public social services clients, is important. Other factors considered include: volunteer experience in the human services, life experiences and opportunities for personal growth, leadership, communication and interpersonal relationship skills, problem solving ability, the ability to work with and respect persons from diverse backgrounds, health and stamina, and motivation for graduate work and a career in administration, counseling or criminal justice.

### **Practicum/Internship**

The student must complete an application form for practicum/ internship placement at least five weeks before the semester in which the practicum begins. The Practicum/Internship Coordinator will determine the type and appropriateness of supervision for each placement.

### **Ethics & Professional Standards**

The student admitted to the Master of Science in Clinical Mental Health Counseling program needs to familiarize himself or herself with and act in accordance with the ethical standards required by the following boards, committees, or professional organizations.

1. American Counseling Association
2. Oklahoma State Board of Behavioral Health
3. National Board for Certified Counselors

Any behavior on the part of a student which may conflict with the above professional standards will be reviewed by a committee from the MSHR Student Review Committee. The student may be present at the committee meeting. The committee will have the authority to take any of the following actions, or any other appropriate actions: exonerate the student, notify the student and plan appropriate ameliorative action, notify appropriate boards and law enforcement agencies, drop the student from the program.

### **Master of Science in Clinical Mental Health - Clinical Rehabilitation (60 Credit Hours)**

This option prepares counseling professionals for employment in a variety of public and private settings. This training program affords students opportunities to gain the knowledge necessary to become highly-skilled professional counselors meeting the demands clinical mental health counseling. Students completing the program will satisfy the educational and clinical training requirements to be eligible for licensure (Licensed Professional Counselor— LPC). An applicant for admission to the program must show evidence of professional potential. This option is fully accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

### **Research, Measurement & Statistics (3 Credit Hours)**

COUNS 5103 Human Services Research

\*Must be taken within the first eighteen (18) hours of the program.

### **Required Courses (51 Credit Hours)**

COUNS 5163 App and Assess of Individuals, Groups and Families

COUNS 5213 Diagnosis of Psychiatric and Co-occurring Disorders

COUNS 5243 Foundations of Clinical Mental Health

\*5243 must be taken within the first eighteen (18) hours of the program.

COUNS 5253 Legal & Ethical Aspects of Counseling

COUNS 5323 Clinical Assessment

COUNS 5363 Theories of Marriage and Family Counseling

COUNS 5493 Counseling Skills

COUNS R5553 Practicum in Clinical Mental Health Counseling

COUNS 5603 Human Growth & Development

COUNS 5613 Counseling Theories

\*5613 must be taken within the first eighteen (18) hours of the program.

COUNS 5623 Counseling Interventions

COUNS 5633 Career Counseling & Theories

COUNS 5673 Counseling the Culturally Diverse

COUNS 5713 Group Counseling Theory & Practice

COUNS 5943 Int in Clinical Rehab & Clin Mental Health Counseling

COUNS 5943 Int in Clinical Rehab & Clin Mental Health Counseling

COUNS 5943 Int in Clinical Rehab & Clin Mental Health Counseling

### **Elective Courses (6 Credit Hours)**

Select two of the following courses:

COUNS 5043 Clinical Supervision and Administration

COUNS 5133 Human Sexuality

COUNS 5183 Addictions Theory

COUNS 5203 Child & Adolescent Counseling

COUNS 5283 Psychopharmacology & Substance Abuse

COUNS 5533 Crisis & Trauma Counseling

COUNS 5763 Integrated Behavioral Health

COUNS 5773 Counseling Technology & Telehealth

### **Master of Science in Water Resource Policy & Management (MSWPM; 30 Credit Hours)**

#### **Program Purpose & Objectives**

The Master of Science in Water Resource Policy and Management supports the need for advanced understanding of the growing complexity of water issues that face communities in the state, nation, and globally. This degree trains students for leadership in making water policy decisions and prepares students who seek employment within federal and state environmental agencies, environmental non- governmental organizations, international development agencies, industry, and environmental consulting firms.

The program requires students to integrate and synthesize knowledge from multiple disciplines to address the complex challenges of water resource decisions and to develop solutions that are socially acceptable, politically and economically viable, and environmentally sustainable. Students will be broadly trained to undertake careers in managing water resources and in guiding or making water resource policy decisions.

#### **Required Courses (21 Credit Hours)**

WRPM 5103 Policy Research & Methodology  
 WRPM 5203 Natural Resource History & Policy  
 WRPM 5303 Water Resource Policy Analysis  
 WRPM 5503 Environmental Conflict Management  
 WRPM 5513 Advanced Watershed Management  
 WRPM 5603 Water Resource Economics  
 WRPM 5703 International Environmental Policy

#### **Elective Courses (9 Credit Hours)**

Select three of the following courses:

WRPM 5113 Advanced Native American Law  
 WRPM 5193 Advanced Tribal Politics  
 WRPM 5213 Advanced Public Policy Making  
 WRPM 5223 Water in Developing Countries  
 WRPM 5313 Native American Water Rights  
 WRPM 5403 Water Law  
 WRPM 5413 Public Organization Theory  
 WRPM 5613 Hydrogeology  
 WRPM 5693 Thesis  
 WRPM 5713 Advanced Water Quality & Treatment  
 WRPM 5813 Studies in Environmental Toxicology  
 WRPM 5913 Climate Change & Water

### **Master of Science in Biological Sciences**

#### **Program Purpose & Objectives**

The Master of Science in Biological Science program is designed to strengthen the scientific portfolio and provide specialized preparation for those individuals seeking careers in the health industry, water science, ecology or the natural sciences. The curriculum will strengthen student understanding of biology and increase competitiveness in their career of choice.

### **Master of Science in Biological Sciences - Health Sciences Option (MS; 30 Credit Hours)**

#### **Required Courses (6 Credit Hours)**

BIOL 5013 Experimental Design/Data Analysis  
 BIOL 5223 Grant/Science Writing & Communication

#### **Required Track Courses (9-12 Credit Hours)**

*Students must select either the Thesis Track or the Non-Thesis Track.*

##### Thesis Track (12 Credit Hours)

BIOL 5691-3 Thesis  
 BIOL 5713 Teaching in the Sciences  
 BIOL 5773 Graduate Examinations - Oral

OR

##### Non-Thesis Track (9 Credit Hours)

BIOL 5803 Report  
 BIOL 5813 Field Work in the Sciences  
 BIOL 5873 Graduate Examinations - Written

#### **Elective Courses (12-15 Credit Hours)**

*Students will select from between four to five of the following courses.*

BIOL 5133 Special Topics in Evolution  
 BIOL 5245 Advanced Comparative Vertebrate Anatomy  
 BIOL 5254 Special Topics in Entomology  
 BIOL 5313 Advanced Cell and Molecular Biology  
 BIOL 5405 Advanced Techniques in Biotechnology  
 BIOL 5424 Advanced Ethnobotany  
 BIOL 5433 Human Genetics  
 BIOL 5545 Advanced Molecular Biology  
 BIOL 5554 Genomics & Bioinformatics  
 BIOL 5563 Pathogenic Microbiology

BIOL 5623 Medical Biochemistry  
BIOL 5654 Histopathology  
BIOL 5683 Advanced Immunology  
BIOL 5703 Advanced Biostatistics  
BIOL 5981-4 Seminar in Biology  
GIS 5613 Digital Mapping  
GIS 5913 Spatial Analysis

### **Master of Science in Biological Sciences - Water Sciences Option (MS; 30 Credit Hours)**

#### **Required Courses (6 Credit Hours)**

BIOL 5013 Experimental Design/Data Analysis  
BIOL 5223 Grant/Science Writing & Communication

#### **Required Track Courses (9-12 Credit Hours)**

*Students must select either the Thesis Track or the Non-Thesis Track.*

##### Thesis Track (12 Credit Hours)

BIOL 5691-3 Thesis  
BIOL 5713 Teaching in the Sciences  
BIOL 5773 Graduate Examinations - Oral

OR

##### Non-Thesis Track (9 Credit Hours)

BIOL 5803 Report  
BIOL 5813 Field Work in the Sciences  
BIOL 5873 Graduate Examinations - Written

#### **Elective Courses (12-15 Credit Hours)**

*Students will select from between four to five of the following courses.*

BIOL 5133 Special Topics in Evolution  
BIOL 5144 Freshwater Invertebrate Zoology  
BIOL 5254 Special Topics in Entomology  
BIOL 5313 Advanced Cell & Molecular Biology  
BIOL 5324 Advanced Topics in Herpetology  
BIOL 5414 Advanced Topics in Ecology  
BIOL 5424 Advanced Ethnobotany  
BIOL 5525 Advanced Plant Ecophysiology  
BIOL 5535 Advanced Plant Ecology  
BIOL 5935 Advanced Limnology  
EHS 5223 Watershed Management  
EHS 5553 Water Quality & Treatment  
EHS 5703 Advanced Biostatistics  
EHS 5802 Environmental Health Lab  
EHS 5803 Environmental Toxicology  
GIS 5613 Digital Mapping  
GIS 5753 Spatial Programming  
GIS 5913 Spatial Analysis  
GIS 5953 GIS Workflows
