#### NOTES:

- Minor is not required. If student chooses a minor then they will replace “Any Elective (Upper Level)” with their minor classes. Students can also take additional MCOM, ART, COMM, or MKT classes in place of “Any Elective (Upper Level)”.
- The Mass Communication major is part of the Art+Design : Media+Communication department and as such, students can take enroll in certain courses that have either the MCOM, ART, OR COMM prefix.
- Students declaring a Mass Communication major starting in the fall of 2022 must successfully complete one semester of SFA 1000 Cultural Attendance (zero hours credit, P/NP graded. Students on catalog years before 2022 must complete two semesters of SFA 1000.
- Students are highly encouraged to take their math and lab science classes within the first 2 semesters because it is still familiar from high school and if remediation classes are needed they must be completed within the first 24 credit hours.
- The recommended courses are listed for each semester in addition to an “OR” option that is an acceptable replacement for the recommended course.
