

2026-2027 New Course Request Form

Institution Name: East Central University

Academic Department Submitting Proposal:

Associated Academic Program:

Which academic program (e.g., Bachelor of Science in Biology) is the new course intended to serve?

Course Prefix:

Existing prefixes *only* are appropriate for this form. If a new prefix is needed, a modification to existing program form is required.

Undergraduate or Graduate: UG GR

Course Level: 1000 2000 3000 4000 5000

Number of Credit Hours: Total hrs. Lecture Lab

The last digit of your course number will match the total credit hours.

Reminder: If a course and its lab are scheduled as separate course sections, then two new course forms will be required. One of the lecture and another for the lab.

Registrar Assigned Course Number:

To be completed by Registrar.

Classification of Instructional Program Code (CIP):

CIP codes provide a uniform means of classifying academic programs and courses. CIP codes were developed by the U.S. Department of Education and are required for various reporting purposes.

Course Title (Long Version):

The long version is limited to 100 characters and will appear in the course schedule. If your course title is 30 characters or less you may only submit a short version.

Course Title (Short Version):

The short version is limited to 30 characters and will appear on the transcript.

Course Description: *700 character limit*

Course Learning Outcomes: *1000 character limit*

Which of the following are applicable to your course?

Honors Course (HON)		Business Scholar Course (BUSSC)
