New Scholarships

22 new scholarships were created in 2021 – serving the majors of Accounting, Math, Education, Music, Criminal Justice, Pre-Med, Social Work, and Physics. (Just to name a few) This brings the total number of scholarships to almost 400, 300 of which are endowed at \$10,000 or more!

Tiger Athletics

The "100 Year War" between ECU and SE was re-established this year, and the coveted traveling trophy stayed home.

With your help, we raised money to support all **11** teams of Tiger Athletics.

*Football WIN against SouthEastern,
holding the Simmons Bank trophy.*

*ECU Food Bank Student Worker, Eli Taylor,
and his dog Axel.*

Students In Need

The ECU Food Bank gave 390 boxes to students.

9 students in crisis stayed in school because of Emergency Assistance Funds. These funds helped specifically with: utility bills, rent, car repairs, eye glasses, and textbooks.

YOU DID ALL THAT!

Despite challenges, the ECU Foundation had a record year for 2021. That is because of YOU. Your generosity in giving, your support of ECU, and your loyalty has helped students for another year.

Once A Tiger, Always A Tiger!
