 (Subject named in title listing)
 - ___ NRSNG 4991-4 Individual Studies in Nursing
 (Subject named in title listing)
- VI. Electives 4**
- VII. Total Hours Required 124**

VIII. Special Requirements

Students should obtain a detailed guide to the program from their advisors. A grade of "C" or better in each nursing course in Section II. Major in Nursing and courses under Section III. Related Work is required for graduation. Students who earn a "D" or an "F" in a nursing course must repeat that course with a grade of "C" or better before continuing in the nursing program. After admission to the clinical component, students who do not maintain continuous enrollment in ECU nursing courses must speak with their nursing advisor regarding progression/readmission to the program. Safe and ethical practice required for retention, progression, and graduation.

Malpractice insurance is required for all students enrolled in a nursing course which has a clinical or laboratory component. Malpractice insurance may be obtained through the University at specified times.

The OSRHE computer proficiency graduation requirement will be met through completion of CMPSC 1513 (including equated or substituted courses), or testing out of the challenge exam for this course, OR successful completion of an associate of arts or associate of science degree at an Oklahoma two-year college in which the computer skills requirement was met. Satisfaction of this requirement may not reduce or remove any program requirements.
