IV. Minor (Not Required)

V. Electives — **44**

Students must ensure that an adequate number of upper level courses are taken to meet the 40-hour minimum requirement for upper level courses. Students are encouraged to take liberal arts courses to broaden their educational perspectives.

VI. Total Hours Required — **124**

VII. Special Requirements

"Teachers" or "methods" courses do not count in the major.

The OSRHE computer proficiency graduation requirement will be met through completion of one of the courses in the institution's general education computer literacy option (including equated or substituted courses) or testing out of the challenge exam for one of these courses (all courses may not have challenge exams), OR successful completion of an associate of arts or associate of science degree at an Oklahoma two-year college in which the computer skills requirement was met. Satisfaction of this requirement may not reduce or remove any program requirements.
