NOTES:

- ⇒ Articulated using RSC A.A. for Pre-Elementary and Professional Education as the Minor.
- ⇒ A student must demonstrate a novice high competency in a foreign language or complete a Foreign Language or American Sign Language course with a C or higher for certification.
- ⇒ † It is recommended that students take PSYC 1113 Intro to Psychology at Rose State as it is a required general education course for Early Childhood Education and a prerequisite for PSYCH 3463 Child and Adolescent Psychology which is required in the Professional Education sequence.
- ⇒ A student transferring with an Associate degree in Arts or Science from RSC fulfills ECU's general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors, or related work in these areas; or (3) the requirements for teacher certification. General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at www.ecok.edu by clicking on *Admissions* and scrolling down to *Course Transfer Matrix*.
- ⇒ A student must earn at least 40 semester hours in upper-division courses (numbered 3000 or higher). A course taught at RSC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hours of upper level courses.
- ⇒ A student must earn at least 60 semester hours, excluding physical activity courses, at a baccalaureate degree granting institution.
- ⇒ A Student must earn at least 124 credit hours that apply to an ECU Bachelor's degree.
