ECU CAMPUS UPDATES

ECU Receives \$7 million for Nursing Program

Thanks to Oklahoma's American Rescue Plan Act, ECU will be receiving \$7 million in funding which will go towards the construction of a new building that will allow ECU to expand the School of Nursing even further. The new building will house ECU's Nursing and STEM programs. For more information, visit ecok.edu/news.

SPRING 2024

PRIORITY ENROLLMENT

Begins November 6

Golden Tigers Honored

ECU's Golden Tiger, those who graduated 50 years ago or longer, were honored this Homecoming season. Chickasaw Nation Governor Bill Anoatubby was among those presented with the Golden Tiger medallion by ECU President Wendell Godwin.

Step Out of the Darkness

Hundreds of people gathered for a day of prevention and recovery for the 2023 "Step Out of the Darkness" event to shed light on the truths about drug addiction and dependency. The event is sponsored by the Brandon Whitten Institute for Addiction and Recovery at ECU and the Pontotoc County Drug Free Coalition.

Dr. Brad Clampitt presented the annual Rothbaum Lecture

In recognition of Constitution Day, Dr. Clampitt discussed "The Articles of Confederation" before a packed crowd in the Estep Multimedia Center.

PACT Act Resource Fair

Veterans from across the state traveled to ECU to attend the PACT Act Resource Fair on Sept. 14. Veterans received assistance with a variety of VA healthcare services.

Mozart's Marriage of Figaro...on the Ranch

The Garvin County Choral Society & Sinfonietta, in collaboration with ECU, brought their own twist to Mozart's world-renowned opera to the Ataloe Theatre in September.

ECU's Online Kinesiology Bachelor's program has been ranked a top 10 program by University HQ. University HQ factors in a wide range of information to offer the most up to date facts and guidance on selecting the right university and program for prospective students.

For more information on ECU's Kinesiology ranking visit, ecok.edu/news.

ECU and Oka welcome visiting professor Stephen Agong'

Dr. Stephen Agong' arrived at ECU as a visiting professor as part of a collaboration between ECU, the Oka' Water Institute and Jaramogi Oginga Odinga University of Science and Technology (JOOUST) in Bondo, Kenya. He will research, teach courses, and

work on grants.

Oka' Institute Director Duane Smith, who earlier this year received an Honorary Doctorate from JOOUST is excited to welcome Agong'. "I think it is just incredible," Smith said, "ECU and Oka have an unparalleled opportunity to get grants and build relationships for water sustainability." Many ECU personnel, including President Wendell Godwin, spent months planning to make the visiting professorship a reality.

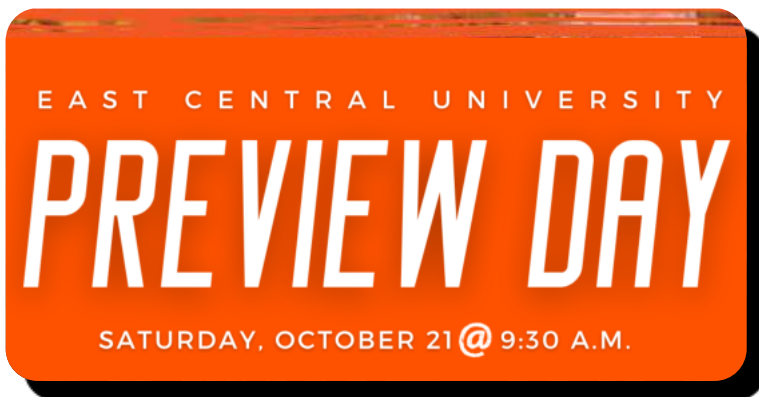

OKA Con 2023

"Uniting for Water: A Collaborative Approach to Integrated Water Resources Management."

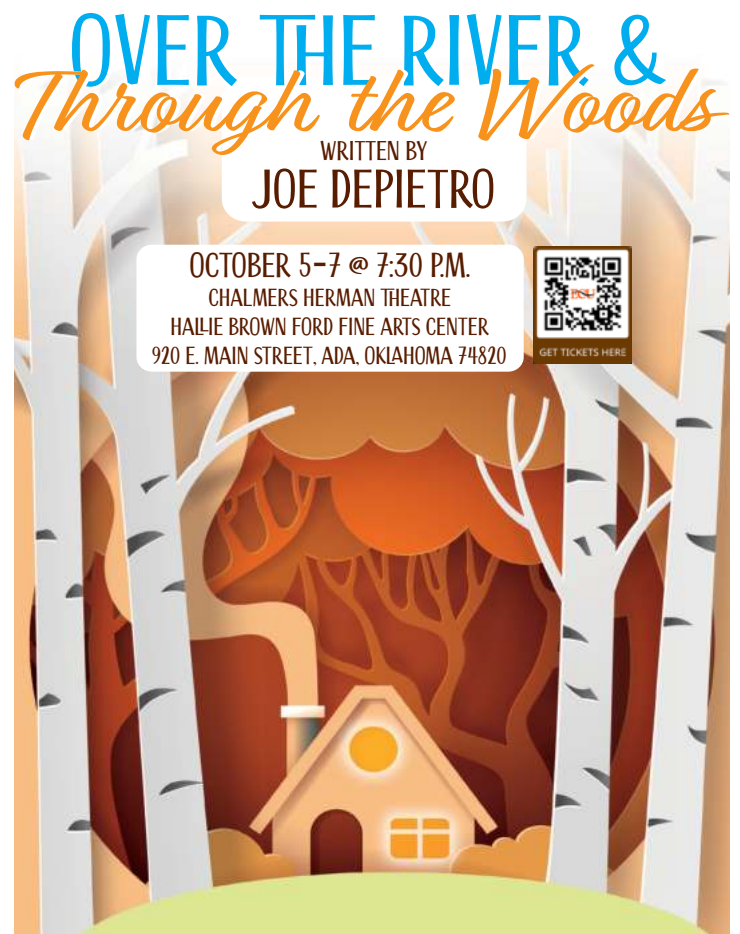

This conference aims to bring together experts from various fields to discuss the challenges and opportunities in integrated water resource management. Keynote speakers, panel discussions, and interactive sessions will explore topics such as sustainable water management, innovative technologies, and policy frameworks. By participating in this event, you'll have the opportunity to network with fellow professionals and gain insights into best practices and emerging trends. Registration and a full schedule are available at

okainstitute.org/okacon2023

Join us @ Preview Day

At "ECU Preview Day", you will experience all that our campus has to offer and what it's like to be an ECU student. Register by going to apply.ecok.edu/register/previewdayoct21.
