CAEP Annual Reporting Measures
Data Collected from Sept. 1, 2023 - August 31, 2024

Impact Measures

Measure 3: (Initial and Advanced) Candidate competency at completion. (R3.3)

Data provided should relate to measures the EPP is using to determine if candidates are meeting program expectations and are ready to be recommended for licensure (e.g.: EPP's Title II report, data that reflect the ability of EPP candidates to meet licensing and state requirements or other measures the EPP uses to determine candidate competency at completion).

Certification Examinations of Oklahoma Educators (CEOE)

The Oklahoma Department of Education (OSDE) and Oklahoma Educational Quality and Accountability (OEQA) require educators to pass the Oklahoma Subject Matter Test (OSAT) to receive teacher certification. The EPP highly encourages students to take the OSAT prior to the student teaching semester. Advanced level students must pass the OSAT for certification.

Praxis Performance Assessment for Teachers (PPAT)

The EPP began requiring the PPAT as a pilot for the state in the Fall of 2017. The PPAT is a performance-based assessment that all undergraduate student teachers complete and submit nationally. This assessment officially replaced the OPTE, beginning August 2021.
