CAEP Annual Reporting Measures
Data Collected from Sept. 1, 2023 - August 31, 2024

Impact Measures

Measure 2: (Initial and Advanced) Satisfaction of employers and stakeholder involvement. (R4.2, R5.3, and RA4.1)

Data provided should be collected on employers' satisfaction with program completers.

Teacher Leader Effectiveness Evaluation

The Teacher Leader Effectiveness (TLE) evaluation data are provided as evidence that program completers had an effective impact on P-12 student learning and development during the reporting period. The Oklahoma State Department of Education (OSDE) and the Office of Educational Quality and Accountability (OEQA) have approved the TLE evaluations. Each year OSDE provides the TLE data to OEQA, which OEQA shares the data through a confidential portal with each Educator Preparation Provider (EPP).

For the 21-22 school year, the OSDE did not share TLE data with the OEQA. OEQA directed all Oklahoma EPPs to make a notation in their annual reporting measures that “the data have not been made available by the Oklahoma State Department of Education.”

The TLE evaluation rubric uses the following scale: 1 - Ineffectiveness, 2 - Needs Improvement, 3 - Effective, 4- Highly Effective, and 5- Superior. And, the TLE measures five domains: Classroom Management, Instructional Effectiveness, Professional Growth and Improvement, Interpersonal Skills, and Leadership.

Office of Educational Quality and Accountability (OEQA) Administrator/Mentor of First-Year Teacher Survey

The OEQA annually administers the Administrator/Mentor of First-Year Teacher Survey to administrators and mentors in Oklahoma whose school districts hired the EPP's completers as first-year teachers. The survey aligns with the Interstate Teacher Assessment and Support Consortium (InTASC) standards, and it evaluates an administrator/mentor's opinion about the preparedness of and the overall satisfaction with the EPP's completers. OEQA informed EPPs that “no First Year Teacher and Mentor data from 2023 were collected due to the State Department of Education not sharing teacher data with OEQA.” They also informed us that the data-sharing agreement has been restored for 2024.
