

Clinical Rehabilitation and Clinical Mental Health Counseling

Program Outcomes 2015-2016

The Clinical Rehabilitation and Clinical Mental Health Counseling program at East Central University is fully accredited by the Council on Rehabilitation Education (CORE) through October 31, 2023 www.core-rehab.org and through Council for Accreditation of Counseling and Related Educational Programs (CACREP) through October 31, 2023 www.cacrep.org. The CRCMHC Program is required annually to report program outcomes for students and prospective students.

In 2015-2016 there were 18 students who graduated from the Clinical Rehabilitation and Clinical Mental Health Counseling Program. Of the students who graduated from the CRCMHC Program, 99% have found employment as rehabilitation or mental health counselors.

Completion rates of full time and part time students in the Clinical Rehabilitation and Clinical Mental Health Program is 100%. Students in the program complete their Master's degree within 3 years if enrolled full time or within 6 years if enrolled part time.

The pass rate for students who complete the Certified Rehabilitation Counselor Exam is 40%. Data for students who complete the National Counselor Exam for Licensed Professional Counselor licensure is currently unavailable but will be reported once it is made available by the Oklahoma Behavioral Health Board https://www.ok.gov/behavioralhealth/National_Exam_Results.html
