

College of Health & Sciences

With a CHS Degree, we are:

Applied Mathematician
Biologist
Cardiology Nurse
Cartographer
Chemist
Computer Programmer
Conservationist
Doctor
Engineer
Fish & Game Warden
Food Safety Inspector
Land Surveyor
Medical Physicist
Military Nurse
Molecular Biologist
NASA Subcontractor
Pediatric Nurse
Software Engineer
Teacher
Toxicologist
...and so much more!

\$how Me the Money!
College graduates with a degree from the College of Health and Sciences degree typically can earn between \$29,000 and \$85,000 for entry level jobs.
The Chicago Tribune!
(NACE 2018 Salary Report)

As one of the largest and most comprehensive academics units of East Central University, the College of Health and Sciences seeks to advance scholarly and creative endeavor through excellence in teaching, research or creative activities, and service. The faculty and staff of the College provide 21 undergraduate and 11 pre-professional programs to its constituents.

> Academic Department

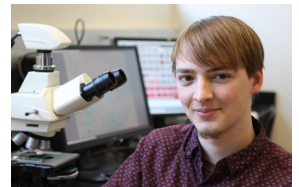

The College of Health and Sciences offers 21 Bachelor of Science degrees and 10 minors to students in the following areas:

> School of Nursing

- Ada
- Durant
- Online B.S. in RN to BSN

> Physical Sciences

- Chemistry
- Physics

> Biological & Environmental Sciences

- Biology
- Geotechniques
- Environmental Health Sciences

> Mathematics & Computer Sciences

> Pre-Professional Programs

> Mission Statement

The mission of the College of Health and Sciences is to foster a learning environment in which students, faculty, staff and community interact to educate students in the study of the natural sciences, technology, human-environment interaction, and health care through excellence in teaching, research, creative activities and service.

College of Health & Sciences

> School of Nursing

The School of Nursing offers a bachelor of science degree in nursing to students at its two campus sites in Ada and Durant. ECU now offers a fully online Bachelor of Science in RN to BSN. Visit online.ecok.edu for more information about the online degree.

> Biological & Environmental Sciences

The Department of Biological and Environmental Sciences provides undergraduate training for students interested in the life sciences who may wish to pursue careers in this area.

Biology program offers majors in:

- Biology
- Clinical Laboratory Scientist
- Molecular Biology
- Ecology
- Teacher Certification
- Pre-Professional Sciences

The Geotechniques Program program offers a major leading to a Bachelor of Science degree in Cartography and the Environmental Health Science program offers a major leading to a Bachelor Science degree in Environmental Health Science. The Environmental Science program offers a minor for students majoring in other degree programs.

> Mathematics/Computer Science

The mathematics program offers a curriculum that is flexible and can be adapted to a variety of student interests. The department offers a bachelor of science degree with three concentrations:

- General Mathematics
- Applied Mathematics/Pre-Actuary
- Teacher Certification

The computer science degree program is designed to prepare the graduate for a career in the field of software engineering. The courses will give the student excellent training in the scientific and technical areas of computing and also provide the preparation necessary to pursue graduate work.

> Physical Sciences

The Chemistry Program provides chemistry support courses for students pursuing medicine, engineering, pharmacy, veterinary medicine, physical therapy, and the clinical lab scientist program. A minor in chemistry is offered as well as a bachelor of science degree in:

- Chemistry
- Chemistry Teacher Certification

Physics students use advanced mathematics to solve challenging experimental or theoretical problems, so students often major in mathematics as well. A minor in physics is offered as well as a bachelor of science in:

- Physics
- Physics Teacher Certification
- Medical Physics

We Are
ECU

College of Health and Sciences

Dean: Dr. Ken Andrews,
College of Health and Sciences
School of Nursing: 2 Locations & Online
Academic Departments: 5
Degree: 21
Pre-Professional Programs: 11
Faculty: 41 full-time & 20 part-time
Organizations: 15+
Scholarships: 37+
Location: 101 P&ES Building

ECU at a Glance

Undergraduate Enrollment: 3,500+
Undergraduate Majors: 70+
Student to Faculty Ratio: 18 to 1
Average Class Size: 22
Faculty with PhDs: 65%
States Represented: 28
Countries Represented: 30+
Year Founded: 1909
Campus Size: 140 Acres
Area Location: Ada, Oklahoma

Tiger Spirit

Mascot: Roary the Tiger
School Colors: Orange & Black
Student Organizations: 60+
Athletics: NCAA Division II

Men's:	Football	Cross Country
	Baseball	Track & field
	Basketball	
Women's:	Basketball	Soccer
	Volleyball	Cross Country
	Softball	Track & field

We educate and empower students to understand and transform our world.
