   ______________________________________________________
   ______________________________________________________
   ______________________________________________________

MINOR____________________________

I. General Education (45 HOURS)

   11 hours (BIOL 1214, CHEM 1114, and MATH 1513)
   counted in the Major

   Other hours needed _____________

II. Major in Biology

   40

   A. Required General Education
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________

   B. Required in the Biology Major
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________

   C. Required Electives
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________

   ______________________________________________________

III. Related Work

   23-25

   A. Required General Education
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________

   B. Required Related Work
   ______________________________________________________
   ______________________________________________________
   ______________________________________________________

   C. Recommended Related Work
   ______________________________________________________

IV. Minor (Required)

   16-21

   The minor with the Biology major may be selected by the
   student from minors whose majors lead to either BS or BA
   degrees.

V. Electives

   4-11

VI. Total Hours Required

   124

VII. Special Requirements

   “Teachers” or “methods” courses do not count in the major.

   With departmental approval, students may omit MATH 1513 and begin with
   MATH 2825.

   The OSRHE computer proficiency graduation requirement will be met through
   completion of one of the courses in the institution’s general education computer
   literacy option (including equated or substituted courses) or testing out of the
   challenge exam for one of these courses (all courses may not have challenge
   exams). OR successful completion of an associate of arts or associate of science
   degree at an Oklahoma two-year college in which the computer skills requirement
   was met. Satisfaction of this requirement may not reduce or remove any program
   requirements.

   Students beginning at East Central University in the fall 2007 semester or later
   who have earned less than sixty-four semester hours are required to take two
   classes with designated service-learning component. Students transferring to ECU
   for the first time in the fall 2007 semester or later with sixty-four or more semester
   hours will be required to take one class with a service-learning component.
