Workaround for not being able to enter your Wimba Classroom or Archive

--If you click on the enter classroom button and nothing happens then you will need to use this workaround to correct the issue.--

If you are using Internet Explorer:

Click on your Wimba Classroom in your Blackboard course.

Click Enter to enter the classroom. (If you get a “show all content “message at the bottom of the page be sure to click)

This will allow you to enter the Wimba Classroom.
If you are using FireFox or Chrome:

Click on your Wimba Classroom in your Blackboard Course.

Click **Enter** to enter the classroom. (at this point you will see a shield in the upper left or right of the URL address line.)
