Enter the following **ACCESS CODE** on the self-registration page: **tiger** (cAse seNsITiVe)

Work through each section, completing all requests for your input. You **MUST** save occupations and areas of study (majors) that you're interested in or no information will appear in your portfolio!

### How much time does it take to use FOCUS?

Typically, the total time spent by students the first time they use the program ranges from 1 to 2 hours. Working through the program does not have to be done in one sitting. You can log back in at any time.

Use on your phone, tablet, or any device.
