"Celebrating our Beginning"

Whistle Blowing Reenactment and Celebration of the day East Central State Normal School began.
Proclamation read at Oklahoma State Legislature.

On March 25, 1909, Oklahoma Gov. Charles N. Haskell signed the Ada Normal Bill. When the word reached Ada, every mill and factory steam whistle in the town tooted out the good news.

We invite every horn and bell in the city to join us as we remember the March 25, 1909 announcement.

Or log on to www.ecok.edu click on the "Celebrating our Beginning Countdown" which will end with a great surprise.
