*The Freshman Seminar must be taken in the beginning freshman's first semester of enrollment.
**College Algebra or Intro to Probability and Statistics should not be selected unless required by your major. Mathematics courses numbered 1413 or higher, other than "teachers" or "methods" courses, will meet the General Education requirement in Mathematics.
***Credit in physical education for active military service is granted in accordance with the commonly accepted practices of the Records Office.

Students who have completed an Associate of Arts or Associate of Science degree from an OKLAHOMA two-year college will be considered as having met all general education requirements listed above. This does <u>not</u> mean specific courses in the major or minor requirements are met with the completion of the Associate Degree.
