- The university reviewed all students in accordance with the eligibility requirements outlined in Section 18004(a)(1) of the CARES Act. To determine eligibility for Title IV funds of the students enrolled as of 13 March 2020 the following criteria were examined.
 - Completed the FAFSA in the past six years.
 - Making satisfactory academic progress.
 - Not in default of student loans.
 - Not on financial aid suspension.
 - Not in one of the following categories:
 - Concurrent
 - International ○ DACA/undocumented
 - Felon
 - Enrolled in only online courses ○ Enrolled in spring intersession and 1st 8-week session
- The amount of funding per student was calculated based on each student's number of credit hours enrolled as of 13 March 2020 multiplied by a per credit hour rate, approximately \$55 per credit hour for the first group receiving the funds. After the second group of students were identified, the per credit hour allocation was increased to \$73.27 per credit hour. The first group received an additional \$18.27 per credit hour and the second group received the \$73.27 per credit hour. All students received the \$73.27 per credit hour allotment whether in two separate awards or in a single payment.
