

Public Reporting for Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), and the Higher Education Emergency Relief Fund II (HEERF II).

31 March 2021

Background

On 22 April 2020, the university submitted to the Department of Education the certification and agreement form to receive Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief, and Economic Security (CARES) Act Section 18004(a)(1) of the CARES Act, Pub. L. No. 116-136. The funds were designated to provide emergency grants to students related to the disruption of campus operations due to coronavirus (COVID-19), and were restricted to on-campus students only. Eligible expenses related to a student's cost of attendance include food, housing, course materials, technology, health care, and child care.

On 27 December 2020, the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260 was signed into law, which authorized the Higher Education Emergency Relief Fund II (HEERF II), and was announced on 14 January 2021. As East Central University had initially received CARES Act HEERF funds to distribute to students, the supplementation CRRSAA HEERF II funds were automatically granted to East Central University to distribute to students.

CRRSAA HEERF II required that Institutions must make financial aid grants to students, which can be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. Unlike the CARES Act, the CRRSAA requires that institutions prioritize students with exceptional need, such as students who receive Pell Grants, and authorizes grants to students exclusively enrolled in distance education.

The university reviewed all students in accordance with the eligibility requirements outlined in Section 314(a)(1), (a)(4) HEERF II (CRRSAA). On 26 February 2021 student eligibility for CRRSAA HEERF II funds were determined by the following criteria:

- Completed the 2020-2021 FAFSA
- Not in one of the following categories:

Once students were determined to be eligible the following Funding Amount Formula was used to determine grant funding:

- All Pell eligible students received a minimum of \$500 regardless of unmet need.
- Unmet need (calculated as Institutional Cost – EFC – Financial Aid including loans) was then used to create the following categorical award amounts inclusive of the \$500 minimum:
