

2020-2021 Verification Worksheet Federal Student Aid Programs (Group V1)

Your FAFSA was selected for review in a process called "Verification." In this process ECU is required to compare information from your FAFSA with information from the IRS data match or IRS Tax Return Transcript for you and your parent(s). If you and/or your parent(s) were not required to file a federal tax return you must submit copies of any W-2 forms or earnings statements and Statement of Non-Filing. The law says we have a right to ask you for this information before awarding federal aid. If there are differences between your FAFSA and your financial documents we will make the necessary corrections to your FAFSA information.

in 2018. Please submit copies of any W-2 forms or other earnings statements.
