Your 2023–2024 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received Federal Pell Grant funds at multiple education institutions during the review period 2019-20, 2020-21, 2021-22 and 2022-23. This flag requires East Central University (ECU) to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid.

In the process of reviewing your enrollment history, ECU will check the National Student Loan Database System (NSLDS) to obtain a complete history including the name of the institutions you have attended and the dates of attendance.

If you have questions, contact us promptly so that your financial aid will not be delayed.

## Colleges or Universities Attended:

Please list all institutions (including ECU) attended during the academic periods that include 2019-2020, 2020-2021, 2021-2022 and 2022-2023. Please send an official academic transcript to the ECU Admissions Office for each of the prior schools listed excluding ECU, if you have not already done so. Also, for each college listed, attach a separate explanation if you failed to earn any academic credit at that college. Attach any additional documentation (i.e., medical bills, hospitalization records, accident reports, etc.) that supports your reason for withdrawal. Please make sure to include your ECU Student ID# at the top of each page or document you submit. **Your application for financial aid will not be considered until you submit this completed form and all required documentation to our office. If you did not attend a term, please note “N/A” in the “name of college or university column”.**
