

2023-2024 Verification Worksheet Federal Student Aid Programs (Group V1)

I

Your FAFSA was selected for review in a process called "Verification." In this process ECU is required to compare information from your FAFSA with information from the IRS data match or IRS Tax Return Transcript for you and your spouse (if applicable). If you and/or your spouse were not required to file a federal tax return you must submit copies of any W-2 forms or earnings statements and a Statement of Non-Filing from the IRS. The law says we have a right to ask you for this information before awarding federal aid. If there are differences between your FAFSA and your financial documents we will make necessary corrections to your FAFSA information.
