NOTES:

- ⇒ ‡Course will substitute for ECU equivalent with demonstration of competency through submission of course syllabus.
- ⇒ Students completing an A.A.S must meet the General Education requirement for ECU. This includes one Life Science course with a lab and one Physical Science course with a lab.
- ⇒ ** Will transfer as course content but not for upper level credit: Student should meet with an ECU advisor for more information.
- ⇒ Articulated using RSC's A.A.S in Paralegal Studies
- ⇒ A student transferring with an Associate degree in Arts or Science from RSC fulfills ECU's general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors, or related work in these areas; or (3) the requirements for teacher certification. General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at www.ecok.edu by clicking on *Admissions* and scrolling down to *Course Transfer Matrix*.
- ⇒ A student must earn at least 40 semester hrs. in upper-division courses (numbered 3000 or higher). A course taught at RSC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hrs. of upper level courses.
- ⇒ A student must earn at least 60 semester hrs., excluding physical activity courses, at a baccalaureate degree granting institution.
- ⇒ A Student must earn at least 124 credit hrs. that apply to an ECU Bachelor's degree.
