F 2.10.1 Sponsored Programs Post-Award Policy

***F 2.10.1.1 General Statement***

The purpose of this policy is to inform the Program Director/Principal Investigator (PD/PI) of the policies and procedures that are involved following receipt of a grant award or contract. One of the primary goals of the Office of Sponsored Programs and Research (OSPR) is to provide the PD/PI with contractual, financial and administrative support. The OSPR will also assist the PD/PI to effectively manage the project and project funds to facilitate a smooth closeout and to prevent any cause for audit investigation.

Note: The president of East Central University (ECU), unless otherwise appointed by the president, is the only person legally allowed to enter into an agreement with other entities.

Refer to the *Policies and Procedures Manual for External Grant Management* for complete information.
