The application can be found at our website, <https://myecu.ecok.edu/ICS/Admissions/>. Select the *International Undergraduate Application* or *International Graduate Application* as appropriate to program. Use the same name on all parts of the application and standardized test reports as it appears in your passport. Record your name in the order specified on the application “last name” is the same as your family name or surname. If you do not have a United States social security number, then enter 000-00-0000. List your date of birth in the order of month/day/year.

### II. Application Fee

There is a non-refundable application fee of U.S. \$20.00. Payment is required in order to submit the online application. Major credit cards (Visa, Discover, and MasterCard) are accepted. Payments cannot be made via draft or wire transfer.

### III. English Language Proficiency

[TOEFL](#), [IELTS](#), [PTE](#), and [iTEP](#), are acceptable exams to meet ECU’s English language proficiency requirement. ECU’s code for the **TOEFL is RA6186**. *There is no institutional code for the Duolingo or IELTS*. Test takers should provide the following address to have their official score sent to ECU: **International Office, East Central University, 1100 E. 14<sup>th</sup> Street PMB E-1, Ada, OK 74820. See page 8 for exceptions/alternatives.**

### IV. Admission Basis

There are three options by which an applicant may be admitted to ECU:

- 1) **Freshman\***: Overall U.S. equivalent high school GPA of 2.7+ and rank top 50% in graduating class; OR, U.S. equivalent high school GPA of 2.7 in the required 15 units of high school core curriculum classes

**OR,**

A minimum composite SAT score of 1030 or an ACT composite score of 20;

- 2) **Transfer Student**: a minimum U.S. equivalent GPA of 2.0 based on at least 24 attempted credit hours.  
(see [ECU Catalog](#) for complete admission details)

- 3) **Graduate Student**: hold a U.S. equivalent bachelor’s degree or higher. \*\* *NOTE: There is a separate admission process to the School of Graduate Studies – see [Graduate Studies webpage](#) for how to apply.*  
(see [ECU Catalog](#) for complete admission details)

**V. SAT Score/ACT Score**

The [SAT](#) or [ACT](#) standardized exams are NOT required for admission. Students admitted based on ECU's minimum U.S. equivalent GPA requirement do not have to take the SAT or ACT exam, but will be required to take the ACCUPLACER upon arrival. The ACCUPLACER is free for the first attempt, there is no time limit, and it is used for proper course level placement.

Conversely, applicants who don't meet ECU's minimum GPA score, will be required to meet ECU's SAT or ACT minimum score to be admitted (see section IV: *Admission Basis* above for minimum score details.) Original score sheets must be sent directly from the testing organization. **ECU's code for the SAT is 6186, and the ACT is 3394.** To find an SAT or ACT testing center near you visit [SAT](#) or [ACT](#).

**VI. Transcripts**

Submit **official, original** transcripts from your high school (secondary) or post-secondary school(s) and each college or university that you previously attended. You are required by state law to list all the universities you attended on the online application. Secondary school records must show date of completion/graduation. *The official transcript must be translated into English and must show all courses taken, all terms attended, and all grades received.*

Evaluations of course substitutions from an international institution cannot be approved until successful completion of at least 12 credit hours with ECU. After you have completed these hours and have submitted your official transcript with course-by-course descriptions (not a syllabi) to the Records Office, then the course substitution process may begin in collaboration with your academic advisor and ECU's Office of Academic Affairs. To speed up the process of transcript evaluation, you may wish to contact credential evaluation institutions such as WES ([www.wes.org](http://www.wes.org)) or any members of NACES ([www.naces.org](http://www.naces.org)).

**VII. [I-20 Data E-form](#)**

This information will be listed on the student's *Student Exchange Visitor and Information System* record (SEVIS) and Form I-20. Applicants are required to provide true and accurate information on this form.

**VIII. [Statement of Understanding E-form](#)**

The Statement of Understanding is a contract between the student and the University. By signing this, the student is agreeing to comply with the items stipulated in the Statement of Understanding. Take time to thoroughly read what you are signing, as you will be held accountable.

**IX. Immunization Record**

Submit a copy of your immunization record. For admission, applicants must show first dose of Measles, Mumps, Rubella (MMR) and first dose of Hepatitis B. TB testing completed outside the U.S. will be accepted. Your record must show the day/month/year of each dose received. Students living in residence halls must submit proof of meningitis. Immunizations must be in English.

**X. [Confirmation of Financial Resources E-form](#)**

This is a contract between the University and the student's sponsor with verification from the sponsor's financial institution. Once signed, it states that the sponsor agrees to pay all of the student's costs related to and throughout the duration of the student's enrollment at ECU. *Students who are receiving an athletic scholarship are required to show proof of financial resources for all tuition/fees not covered by the scholarship. A copy of the scholarship contract must be received by the ISS Office before an I-20 will be issued.*

**XI. Non-resident Tuition Waiver (NTW)**

Students who meet admission requirements will automatically receive the non-resident tuition waiver. There is no separate form to complete. (See page 9 for the *Estimate of Expenses* sheet for further detail).

**XII. Documentation of Guaranteed Funds – Bank Letter**

Before ECU can prepare an I-20 for you, we must receive documentation of guaranteed funds showing that the student (or their sponsor) has sufficient funds to cover tuition, fees, room and board (see *Estimate of Expenses* sheet). The letter must be written in English, provides balance and its conversion to U.S. dollars. USCIS requires the University to receive this information for the 9-month academic year.

***“How Much Money Does My Financial Document Need to Show?”:***

*You are only required to show a minimum amount of funds covering at least one year of attendance at ECU. (See Estimate of Expenses sheet). That being said, the more funds your financial document shows to support your attendance, the more likely you are to be approved for a visa!*

**XIII. SEVIS Transfer Eligibility Information Form**

Students holding an F-1 visa who are transferring from another U.S. college or university, language or high school must have the *SEVIS Eligibility Transfer* form completed by their current international advisor. (Note: This is NOT a request for a SEVIS release – it is only used to determine immigration standing.) You **MUST** be accepted before your SEVIS record can be released to ECU.

**XIV. Housing Application**

If you are a beginning freshman, under the age of 21, you are required to stay in campus housing. The housing application is available online. In order to complete the application, you must first be accepted to ECU. Upon acceptance, the ISS Office will send you detailed instructions on how to log-in to the Housing Application portal.

There is a non-refundable housing application fee of U.S. \$75.00. The deposit ensures a room is reserved for you. Furthermore, the housing application is a contractual agreement for the academic year. Once the application has submitted the contract cannot be breached. All requests for an exception must be made prior to the submission of the application. All questions related to housing accommodations must be submitted to the [Office of Housing and Residence Life](#).

**SPECIAL NOTES:**

- ❖ Keep a copy of all documents that you submit to the ISS Office. On occasion, items may get lost in transit. Therefore, it is recommended that you keep a copy for your documents and mail items with a tracking number.
- ❖ In an effort to speed up the communication between you and ISS, it is recommended that you state your current email address on the application form. In the interest of time, this will allow our office to contact you quickly. It is advised that prospective students submit their application materials at least *six (6) months* prior to the desired semester for enrollment. You will be contacted via email when your admission status has been confirmed. If your application is incomplete, you will be told what is missing and the process will halt until all documents are submitted in the required format. Applications are processed in the order in which they are received.
- ❖ Applicants must meet both ECU’s admission policies and USCIS immigration regulations before an I-20 will be issued. *All documents submitted during your application and subsequent enrollment become the property of ECU and cannot be returned.*
- ❖ Upon acceptance, you will receive an email confirming your admission, and you will be asked where and how you would like your I-20 to be shipped. An e-mailed digital version of the I-20 is widely accepted by many consulates, and it is the most common method of issuance. There is no fee to ship the I-20 via regular mail. Express shipping options will be provided upon your acceptance to ECU. Express shipping requires pre-payment, and personal shipping accounts are not accepted.

## East Central University *MEDICAL INSURANCE*

**East Central University** is pleased to announce the availability of international student health insurance coverage with Academic HealthPlans (AHP).

All registered international students are *required* to enroll in the AHP plan or provide proof of comparable coverage to receive a waiver. International students will have the insurance premium automatically assessed to their university account. To review plan details or to apply for a waiver go to <https://ecok.myahpcare.com/>. **Note: Insurance waivers must be completed by the deadline date indicated on the waiver form.**

See *Estimate of Expenses* sheet for current year rates.

The AHP primary healthcare plan allows all international students participating in intercollegiate sports to receive intercollege healthcare coverage up to \$2,500. This benefit is contingent upon injuries received while participating in play, practice, or activities that are a direct part of the intercollegiate sport. For further information about the required secondary healthcare plan of insurance for athletes contact the ECU Athletic Department.

All students are encouraged to review the current year's plan brochure, which describes the student health insurance plan in detail. Coverage is provided 24 hours a day.

Since many group insurance plans may not cover treatment out-of-area, we have made this plan available to provide coverage appropriate to our student population at a reasonable price. If you are presently insured, we urge you to review your current plan to make certain that you will be adequately covered while in school. Of course, if you are not presently insured, you will want to protect yourself from the unexpected cost of medical care by enrolling in the AHP plan. **For an overview of the U.S. Healthcare System for International Students view the following [VIDEO!](#)**

If you have any questions, or wish to discuss this plan in detail, please call the Academic Health Plans office at (888) 308-7320, visit their web site at <https://ecok.myahpcare.com/>, or contact the Office of ISS via email [intlstu@ecok.edu](mailto:intlstu@ecok.edu) or by phone 580-559-5669.

### *“I’VE BEEN ADMITTED, NOW WHAT???”*

The following guidelines are general for all incoming students; however, be aware of specific communications made to you by the ISS Office. Visit the ISS [Future Students](#) webpage for complete details.

#### **OBTAIN A U.S. VISA:**

- 1) Upon admission approval, you will be issued an official acceptance letter and the Form I-20. Both documents are required to schedule a visa interview. You can choose from a digital I-20, or select a shipping method for your documents. Shipping options include U.S. mail (no charge, no tracking, may take up to 2-4 weeks for delivery), or express mail pre-purchased by you using ECU’s approved shipping company. You’ll be provided the express shipping information upon your notice of acceptance.
- 2) **Pay the I-901 SEVIS Fee:** A \$350.00 (USD) SEVIS I-901 fee will be required by SEVP in order to schedule a visa interview. All students applying for F-1 visas will have to show proof of payment in order to be issued a visa. The fee must be paid directly to USCIS by going to <https://fmjfee.com>. ECU cannot make this payment for you. Watch the [video tutorial](#) on how to pay your fee. *Note: Students who are citizens of countries exempt from obtaining a U.S. visa (i.e. Canada) are still required to pay the SEVIS fee.*
- 3) **Apply for Visa & Schedule an Interview:** There are several steps to apply for a visa. The order of these steps and how you complete them may vary based on the nearest consulate. Consult the instructions on the consulate website where you intend to apply <http://www.usembassy.gov/>.
  - You may schedule your interview at any consulate, but be aware that it may be difficult to qualify for a visa outside of your place of permanent residence.
  - F-1 student visas can be issued up to 120 days in advance of your course of study start date. However, you will not be allowed to enter the U.S., in F-1 status, earlier than 30 days prior to your start date. For a complete step-by-step process on how to obtain a U.S. student visa visit [Study in the States!](#)

#### **RELEASE YOUR SEVIS RECORD TO ECU: (U.S. Transfer Students ONLY)**

- 1) Provide your current international advisor with your ECU acceptance letter and request a release of your SEVIS record. Inform the ISS Office ([intlstu@ecok.edu](mailto:intlstu@ecok.edu)) once your SEVIS record has been released.

**OPT Students:** If you are currently on Optional Practical Training (OPT) make note that your OPT will end once your record is released to ECU. Therefore, we advise you to communicate with your current international advisor about future dating the release of your SEVIS record once your OPT has expired OR once the semester has begun (*whichever is sooner*).

- 2) Enroll with ECU’s Academic Success Center (Administration Building, RM 262). Contact them at 580-559-5696 or at [AcademicAdvisingCenter@ecok.edu](mailto:AcademicAdvisingCenter@ecok.edu) to schedule your enrollment appointment.

#### **MAKE TRAVEL ARRANGEMENTS:** (Visit the ISS [Pre-Arrival](#) webpage for complete details)

- 1) Notify ISS of your arrival date by e-mailing [intlstu@ecok.edu](mailto:intlstu@ecok.edu). Arrive by the date on your I-20, acceptance letter, and ISS email communications.
- 2) If residing in campus dorms, complete the online [Housing Application](#). Use the instructions e-mailed to you by ISS, after you were accepted.
