EAST CENTRAL UNIVERSITY Stem Extension - 6 Month Validation Report

(Do NOT submit this form when applying for STEM. Save this form for when you are ready to report your 6-month validations.)

STEM Extension OPT regulations require students to report to the Designated School Official (DSO) any of the following changes within **10 business days of the 6 month reporting periods** (Note: reports submitted earlier than 10 business days of report date will not be accepted):

- Legal name changes
- A change in residential or mailing address
- Changes in employer, giving the employer name and address and start date of new employment
- Loss of employment

Send the DSO a validation report every six months starting from the date the STEM extension starts and ending when the student's F-1 status ends or the STEM extension ends, whichever is earlier. You are responsible for making timely updates through this form. Contact the International Office at intlstu@ecok.edu for additional copies.

Student Information:
