### Section F3.1 Sabbatical and Faculty Development Leave

#### ***F3.1 Sabbatical and Faculty Development Leave***

The Board authorizes the university to grant sabbatical leave. If a university chooses to grant sabbatical leave, the following guidelines will prevail.

##### **F3.1.1 Purpose**

The university may grant a sabbatical leave to faculty members to provide an opportunity for continued professional growth and new or renewed intellectual achievement through study, research, writing, and travel. The primary purpose of sabbaticals should be for post-doctoral study. A sabbatical may be used to engage in specialized scholarly activity or to provide a broad cultural experience. Such sabbaticals are intended to take place in off-campus settings. The university views a sabbatical as an investment with the expectation that the sabbatical will significantly enhance the faculty member's capacity to contribute to the objectives of the university. For this reason, sabbatical leave applications are approved only when significant evidence indicates that the individual will achieve this purpose. Also, the approval of such sabbaticals shall be consistent with the appropriate budgetary and faculty arrangements so as not to disrupt the instructional program or other vital operations of the university.

##### **F3.1.2 Conditions of Award**

A full sabbatical leave will be for one year at one-half salary. Persons who qualify for less than full sabbatical may be awarded a sabbatical on a proportional basis. Sabbatical leaves shall not be used as a means of augmenting personal income. The sabbatical program requires that persons on sabbatical devote full-time to the scholarly activity for which the sabbatical is granted and will receive no salary or stipend from sources other than the university, except that, with university approval:

1. Persons on sabbatical at less than full salary may engage in other scholarly activity consistent with that for which the sabbatical is granted and receive salary, stipend, or honorarium from other sources in such amounts that total salary stipend, and honorarium do not exceed the annual income normally earned; and
2. Persons on leave may receive grants from other sources for travel and research expenses incident to their scholarly activity.

Individuals receiving sabbatical leave shall enter into the following written agreement to return to the service of the university and remain for a number of months equal to four times the number of months of full-time equivalent salary (example: One half ( $\frac{1}{2}$ ) salary x ten (10) months = five (5) full-time months; the number of months to return to the university is five (5) full-time months x four (4) = twenty (20) months) or to repay the university the amount of salary received while on sabbatical leave, unless released from the obligation by the Board. If the individual leaves the university prior to the end of the required time, whether voluntary or involuntarily, the amount to be paid the university shall be proportionally reduced.

At the termination of the sabbatical, and not later than three months after returning to the campus, the individual shall submit a report of the activities undertaken to the chief academic officer through the Department Chair and Division Chair. The report will be used to evaluate future applications for sabbaticals of faculty members who have been granted one or more sabbaticals.

### **F3.1.3 Eligibility**

Faculty members are eligible for full sabbatical leaves when they have been full-time employees of the university for six academic years. In order to qualify for a prorated sabbatical, the individual must have been a full-time employee of the university for a minimum of two academic years. For the purpose of determining eligibility for a sabbatical leave, time spent on a sabbatical is considered as full-time employment; however, time spent on leave without pay is not considered full-time employment. A faculty member is eligible for a subsequent full sabbatical after six years following any sabbatical leave grant whether full or partial.

### **F3.1.4 Application**

A faculty member shall make formal application for a sabbatical leave which includes the reasons for requesting the sabbatical leave, the activities planned during the sabbatical, and a schedule of the use of time while on the sabbatical leave. The application should be submitted to the President of the university through the appropriate Department Chair, Division Chair or Dean, and Vice President. The Department Chair, Division Chair or Dean, and Vice President shall each include a recommendation regarding the sabbatical leave. The decision for recommendation of a sabbatical leave shall be based on the following criteria:

1. Evidence of the highest critical need in order to maintain academic effectiveness;
2. Total years of academic or professional service at the university;
3. Potential contribution to an academic or professional discipline;
4. Length of remaining service to the university;
5. Possession of a terminal degree in the teaching field assigned; or pursuing a terminal degree in a teaching field in which there is a shortage of qualified faculty.
