

Policy and Procedures Manual Application: Full Time Faculty Section F4.2 Commencement

F4.2 Commencement

Commencement exercises are held following the fall semester and following the spring semester. Faculty members are expected to attend the commencement exercises in appropriate academic regalia. Commencement is the ultimate institutional acknowledgement of our students' accomplishments in earning their degrees.

An Honors Ceremony program precedes each commencement to recognize students who are graduating with honors and/or have been members of various academic societies or clubs. Faculty are encouraged to attend.
