MATH 1513 Pre-Calculus	MATH 1513 College Algebra‡
SPCH 1143 Speech^	COMM 1113 Fundamentals of Human Communication

‡The ECU School of Business requires students complete these courses with a grade of "C" or better. Students taking these courses at SSC planning to transfer to ECU, will need to meet the same requirements.

Articulated using SSC's A.S. For Business.

General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at www.ecok.edu by clicking on *Academics* and scrolling down to *Course Transfer Matrix*.

Articulated without a minor. A minor is not required, please see an advisor for appropriate courses.

If students take other lower level Business classes at SSC that equate to upper level classes at ECU, course content will transfer, but upper level hour credit will not be awarded resulting in additional upper level classes being required to complete degree requirements.

^ Will be substituted for COMM 2253 Communication in the Workplace

NOTES:

A student transferring with an Associate degree in Arts or Science from SSC fulfills ECU's general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors or related work in these areas; or (3) the requirements for teacher certification.

A student must earn at least 40 semester hours in upper-division courses (numbered 3000 or higher). A course taught at SSC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hours of upper level courses.

A student must earn at least 60 semester hours, excluding physical activity courses, at a baccalaureate degree granting institution.
